Amount of the general interest charge

- (1) The general interest charge for a day is worked out in accordance with this section.
- (2) If the charge is payable under section 8AAZF on the RBA deficit at the end of that day, then the charge is worked out by multiplying the general interest charge rate for that day by the RBA deficit at the end of that day.
- (3) If the charge is not payable under section 8AAZF, but applies to an amount that remains unpaid (the **original unpaid amount**), then the charge is worked out by multiplying the general interest charge rate for that day by the sum of so much of the following amounts as remains unpaid:
 - (a) the charge from previous days;
 - (b) the original unpaid amount.
- (4) If the charge applies to an amount that is specified in the provision that imposes the charge, but neither subsection (2) nor (3) applies, then the charge is worked out by multiplying the general interest charge rate for that day by the sum of the following amounts:
 - (a) so much of the charge from previous days as remains unpaid;
 - (b) the specified amount.

What is the **general interest charge rate**?

- (1) The **general interest charge rate** for a day is the rate worked out by adding 7 percentage points to the base interest rate for that day, and dividing that total by the number of days in the calendar year.
- (2) The **base interest rate** for a day depends on which quarter of the year the day is in. For each day in a quarter in the second column of the table, it is the monthly average yield of 90-day Fully Accepted Bills published by the Reserve Bank of Australia for that month in the third column of the table.

Item	For days in this quarter...	the monthly average yield of 90-day Bank Accepted Bills for this month applies...
1	1 January to 31 March	the preceding November
2	1 April to 30 June	the preceding February
3	1 July to 30 September	the preceding May
4	1 October to 31 December	the preceding August

- (3) If the monthly average yield of 90-day Bank Accepted Bills for a particular month in the third column of the table in subsection 1 is not published by the Reserve Bank of Australia before the beginning of the relevant quarter, assume that it is the same as the last monthly average yield of 90-day Bank Accepted Bills published by the Reserve Bank of Australia before that month.
- (4) The base interest rate must be rounded to the second decimal place (rounding .005 upwards).

When the charge is due and payable

The general interest charge for a day is due and payable to the Commissioner at the end of that day.

Note: For provisions about collection and recovery of the charge, see Part 5 in Schedule 1.

Notification by Commissioner

- (1) The Commissioner may give notice to a person liable to pay the charge of the amount of the charge for a particular day or day period.
- (4) A notice given to a person by the Commissioner under this section is prima facie evidence of the matters stated in the notice.

Remission of the charge

- (1) The Commissioner may remit all or a part of the charge payable by a person.
- (2) However, if a person is liable to pay the charge because an amount remains unpaid after the time by which it is due to be paid, the Commissioner may only remit all or a part of the charge in the circumstances set out in subsection (3), (4) or (5).
- (3) The Commissioner may remit all or a part of the charge referred to in subsection (2) if the Commissioner is satisfied that:
- (a) the circumstances that contributed to the delay in paying were not due to, or caused directly or indirectly by, an act or omission of the person; and
 - (b) the person has taken reasonable action to mitigate, or mitigate the effects of, those circumstances.
- (4) The Commissioner may remit all or a part of the charge referred to in subsection (2) if the Commissioner is satisfied that:
- (a) the circumstances that contributed to the delay in paying were due to, or caused directly or indirectly by, an act or omission of the person; and
 - (b) the person has taken reasonable action to mitigate, or mitigate the effects of, those circumstances; and
 - (c) having regard to the nature of those circumstances, it would be fair and reasonable to remit all or a part of the charge.
- (5) The Commissioner may remit all or a part of the charge referred to in subsection (2) if the Commissioner is satisfied that:
- (a) there are special circumstances because of which it would be fair and reasonable to remit all or a part of the charge.

- (b) it is otherwise appropriate to do so.

Rounding of the charge

If the amount of the charge payable for any period is not a multiple of 5 cents, the Commissioner may round it down to the nearest multiple of 5 cents.

Judgment for payment of an unpaid amount

- (1) This section applies if judgment is given by, or entered in, a court for the payment of:
- (a) all or a part of an amount in respect of which a person was, liable to pay the charge because the amount remains unpaid after the time by which it is due to be paid; or
 - (b) an amount that includes all or a part of the unpaid amount.
- (2) The consequences of judgment being given or entered are:
- (a) the unpaid amount is not taken, for the purposes of a provision that makes, or would make, the person liable to pay the charge on the unpaid amount, to have ceased to be due and payable by reason only of the giving or entering of the judgment; and
 - (b) if the judgment debt carries interest, the amount of the charge that the person would, if not for this paragraph, be liable to pay on the unpaid amount is reduced by:
 - (i) in a case to which paragraph (1)(a) applies—the amount of the interest; or
 - (ii) in a case to which paragraph (1)(b) applies—the amount worked out using the formula:

$$\frac{\text{Unpaid amount or part of unpaid amount}}{\text{Judgment debt}} \times \text{Interest}$$

Part 2—Running Balance Accounts (or RBAs)

Establishment of RBAs

Note: This section does not prevent the Commissioner from establishing accounts that are not RBAs.

- (2) Each account is to be known as a Running Balance Account (RBA).

- (3) An RBA may be established for any entity.

Note: The same *person* might be part of different *entities*. For example, a person might have a trustee capacity and also be a partner in a partnership. The person would then be a tax debtor in relation to each of the separate RBAs established for the trustee capacity and the partnership.

- (1) The Commissioner may allocate a primary tax debt to an RBA that has been established for that type of tax debt.

Note: General interest charge on an RBA deficit debt is not allocated to the RBA: it accrues automatically under section 8AAZF.

Separate RBAs for one entity

- (1A) If 2 or more RBAs for an entity have been established for that kind of tax debt, the Commissioner may allocate the debt to any one of those RBAs, or between any 2 or more of those RBAs, in the manner the Commissioner determines.

Note: Separate RBAs may be established for different businesses or

undertakings conducted by the same entity, for different parts of the business or undertaking or for different periods: see subsection 8AA

Definition

(2) In this section:

primary tax debt does not include:

- (a) general interest charge; or
- (b) an RBA deficit debt.

General interest charge on RBA deficit debt

- (1) If there is an RBA deficit debt at the end of a day, then general interest charge is payable by the tax debtor on that RBA deficit debt for that day.
- (2) The balance of the RBA is altered in the Commissioner's favour by the amount of the general interest charge payable.

RBA statements

The Commissioner may at any time prepare a statement for an RBA, containing such particulars as the Commissioner determines.

Liability for RBA deficit debt

- (1) If there is an RBA deficit debt on an RBA at the end of a day, the tax debtor is liable to pay to the Commonwealth the amount of the debt. The amount is due and payable at the end of that day.

Note: For provisions about collection and recovery of the amount, see Part 4-15 in Schedule 1.

- (2) If there are several tax debtors, their liability for the debt is of the same kind as their liability for the tax debts that were allocated to the RBA.

Example: If the tax debtors are jointly and severally liable for the tax debts that were allocated to the RBA, they will also be jointly and severally liable for the RBA deficit debt.

RBA statement to be evidence

(1) The production of an RBA statement:

- (a) is prima facie evidence that the RBA was duly kept; and
- (b) is prima facie evidence that the amounts and particulars in the statement are correct.

(2) In this section:

RBA statement includes a document that purports to be a copy of an RBA statement and is signed by the Commissioner or a delegate of the Commissioner or by a Second Commissioner or Deputy Commissioner.

Evidentiary certificate about RBA transactions etc.

- (1) In proceedings for recovery of an RBA deficit debt, a Commissioner's certificate stating any of the following matters in respect of a specified RBA is prima facie evidence of those matters:
 - (a) that no tax debts (other than general interest charge on the RBA deficit debt) were allocated to the RBA after the balance date shown on a specified RBA statement for the RBA;
 - (b) that general interest charge is payable on the RBA deficit debt, as specified in the certificate;
 - (c) that payments and credits were allocated to the RBA, a

specified in the certificate;

- (d) that a specified amount was the RBA deficit debt on the date of the certificate.

(2) In this section:

Commissioner's certificate means a certificate signed by the Commissioner or a delegate of the Commissioner, or by a Second Commissioner or Deputy Commissioner.

Part 3—Treatment of payments, credits and RBA surpluses

Amounts covered by this Division

(1) This Division sets out how the Commissioner must treat the following kinds of amount:

- (a) a payment the Commissioner receives in respect of a current or anticipated tax debt or tax debts of an entity;
- (b) a credit (including an excess non-RBA credit) that an entity is entitled to under a taxation law;
- (c) an RBA surplus of an entity.

(2) The Commissioner must treat each such amount using the method set out in section 8AAZLA or 8AAZLB (but not both).

Note: In either case, section 8AAZLC has some additional rules that apply to RBA surpluses and to certain excess non-RBA credits.

(3) However, the Commissioner does not have to treat an amount using either of those methods if doing so would require the Commissioner to apply the amount against a tax debt:

- (a) that is due but not yet payable; or
- (b) in respect of which the taxpayer has complied with an arrangement under section 255-15 to pay the debt by instalments; or
- (c) in respect of which the Commissioner has agreed to defer recovery under section 255-5.

(4) Furthermore, the Commissioner does not have to treat an amount using either of those methods if:

- (a) doing so would require the Commissioner to apply the amount against a tax debt; and
- (b) the tax debt is a penalty that is due and payable under section 269-20 in Schedule 1 (penalties for directors of non-complying companies).

Method 1—allocating the amount first to an RBA

(1) The Commissioner may, in the manner he or she determines, allocate the amount to an RBA of the entity or, if the entity is a member of an RBA group, to an RBA of another member of the group.

(2) The Commissioner must then also apply the amount against the following kinds of debts (if there are any):

- (a) tax debts that have been allocated to that RBA;
- (b) general interest charge on such tax debts.

(3) To the extent that the amount is not applied under subsection (2), it gives rise to an **excess non-RBA credit** in favour of the entity that:

- (a) is equal to the part of the amount that is not applied; and
- (b) relates to the RBA to which the amount was allocated.

3 Method 2—applying the amount first against a non-RBA tax debt

- (1) The Commissioner may, in the manner he or she determines, apply the amount against a non-RBA tax debt of the entity or, if the entity is a member of an RBA group, against a non-RBA tax debt of another member of the group.
- (2) If the non-RBA tax debt is:
 - (a) a tax debt that has been allocated to an RBA; or
 - (b) general interest charge on such a tax debt;the Commissioner must then also allocate the amount to that RBA.
- (3) To the extent that the amount is not applied under subsection (1), it gives rise to an **excess non-RBA credit** in favour of the entity, that is equal to the part of the amount that is not applied.
- (4) The excess non-RBA credit relates to the RBA (if any) that the Commissioner determines and the balance of that RBA is adjusted in the entity's favour by the amount of that credit.

Separate RBAs for one entity

- (5) If the non-RBA tax debt mentioned in subsection (1) has been allocated to 2 or more RBAs, the Commissioner must allocate the amount applied between those RBAs in the proportions in which the tax debt was allocated.

Note: Separate RBAs may be established for different businesses or undertakings conducted by the same entity, for different parts of the business or undertaking or for different periods: see subsection 8AAZLA.

4 RBA surplus and related credits must remain equivalent if one or the other is applied

RBA surpluses

- (1) If an RBA surplus is allocated or applied under this Division, the Commissioner must reduce by the same amount excess non-RBA credits that relate to the RBA.

Excess non-RBA credits

- (2) If, under this Division, an excess non-RBA credit that relates to an RBA (the **related RBA**) is:
 - (a) allocated to an RBA; or
 - (b) applied against a non-RBA tax debt;the related RBA is adjusted in the Commissioner's favour by the same amount.

5 Special priority credits

If, under this Division, the Commissioner is to apply a credit that arises under Schedule 1 to this Act (the PAYG system), the Commissioner must apply it, whether under section 8AAZLA or 8AAZLB:

- (aa) first, against any compulsory repayment amount of the entity; and
- (aaa) then against any compulsory VETSL repayment amount of the entity; and
- (ab) then against any compulsory SSL repayment amount of the entity; and
- (ac) then against any compulsory ABSTUDY SSL repayment amount of the entity; and

- amount of the entity; and
- (ad) then against any compulsory TSL repayment amount of the entity; and
- (b) then against any FS assessment debt of the entity; before applying it against other non-RBA tax debts of the entity.

3 Instructions to Commissioner not binding

In doing anything under this Division, the Commissioner is required to take account of any instructions of any entity.

on 3A—Refunds of RBA surpluses and credits

Commissioner must refund RBA surpluses and credits

- (1) The Commissioner must refund to an entity so much of:
- (a) an RBA surplus of the entity; or
 - (b) a credit (including an excess non-RBA credit) in the entity's favour;
- as the Commissioner does not allocate or apply under Division 3.

Voluntary payments only to be refunded on request

- (2) However, the Commissioner is not required to refund an RBA surplus or excess non-RBA credit that arises because a payment is made in respect of an anticipated tax debt of an entity unless the entity later requests, in the approved manner, that the Commissioner do so.

- (3) On receiving such a request, the Commissioner must refund so much of the amount as the Commissioner does not allocate or apply under Division 3.

Effect of refunding RBA surplus

- (4) If the Commissioner refunds an RBA surplus under this section, the Commissioner must reduce by the same amount excess non-RBA credits that relate to the RBA.

Effect of refunding credit that relates to an RBA

- (5) If, under this section, the Commissioner refunds an excess non-RBA credit that relates to an RBA, the RBA is adjusted in the Commissioner's favour by the same amount.

3 Retaining refunds until information or notification given

- (1) The Commissioner may retain an amount that he or she otherwise would have to refund to an entity under section 8AA if the entity has not given the Commissioner a notification:
- (a) that affects or may affect the amount that the Commissioner refunds to the entity; and
 - (b) that the entity is required to give the Commissioner under:
 - (i) any of the BAS provisions (as defined in subsection 995-1(1) of the *Income Tax Assessment Act 1997*); or
 - (ii) any of the petroleum resource rent tax provisions defined in that subsection).
- (2) The Commissioner may retain the amount until the entity has given the Commissioner that notification or the Commissioner makes or amends an assessment of the amount, whichever happens first.

Note: Interest is payable under the *Taxation (Interest on Overpayments and Early Payments) Act 1983* if the Commissioner is late in making the payment under subsection (2).

3A Retaining refunds while Commissioner verifies information

Commissioner may retain an amount

- (1) The Commissioner may retain an amount that he or she otherwise would have to refund to an entity under section 8AA if the entity has given the Commissioner a notification that affects or may affect the amount that the Commissioner refunds to the entity, and:
 - (a) it would be reasonable to require verification of information (the **notified information**) that:
 - (i) is contained in the notification; and
 - (ii) relates to the amount that the Commissioner would have to refund; or
 - (b) the entity has requested the Commissioner to retain the amount for verification of the notified information, and the request has not been withdrawn.
- (2) In deciding whether to retain the amount under this section the Commissioner must, as far as the information available to the Commissioner at the time of making the decision reasonably allows, have regard to the following:
 - (a) the likely accuracy of the notified information;
 - (b) the likelihood that the notified information was affected by:
 - (i) fraud or evasion; or
 - (ii) intentional disregard of a taxation law; or
 - (iii) recklessness as to the operation of a taxation law;
 - (c) the impact of retaining the amount on the entity's financial position;
 - (d) whether retaining the amount is necessary for the protection of the revenue, including the likelihood that the Commissioner could recover any of the amount if the notified information were found to be incorrect after the amount had been refunded;
 - (e) any complexity that would be involved in verifying the notified information;
 - (f) the time for which the Commissioner has already retained the amount;
 - (g) what the Commissioner has already done to verify the notified information;
 - (h) whether the Commissioner has enough information to make an assessment relating to the amount (including information obtained from making further requests for information);
 - (i) the extent to which the notified information is consistent with information that the entity previously provided;
 - (j) any other relevant matter.

Informing the entity of the retention of the amount

- (3) The Commissioner must inform the entity (by serving a document on the entity or by other means) that he or she has retained the amount under this section. He or she must do so by the end of:
 - (a) in a case to which paragraph 8AAZLF(1)(a) applies—the RBA interest day (within the meaning of section 12AF of the *Taxation (Interest on Overpayments and Early Payments) Act 1983*)

1983) for the RBA surplus of the entity; or

(b) in any other case—the 30th day after the entity gives to the Commissioner the notification mentioned in subsection (1) of this section.

(4) In informing the entity that the amount is retained, the Commissioner may request information that he or she is aware would be required for the purposes of verifying the notified information.

How long the amount may be retained

(5) The Commissioner may retain the amount under this section until:

- (a) if paragraph (1)(a) applies—it would no longer be reasonable to require verification of the information; or
- (b) if the Commissioner fails to inform the entity, in accordance with subsection (3), that he or she has retained the amount under this section—the end of the day after the time by which, under that subsection, the Commissioner is required to inform the entity; or
- (c) in any case—there is a change to how much the Commissioner is required to refund, as a result of:
 - (i) the Commissioner amending an assessment relating to the amount; or
 - (ii) the Commissioner making or amending an assessment under Division 105 in Schedule 1, relating to the amount; orwhichever happens first.

Objecting to the decision to retain the amount

(6) The entity may object to a decision of the Commissioner to retain the amount under this section in the manner set out in Part IV of the Act if the entity is dissatisfied with the decision.

Note: Interest on the amount may be payable under the *Taxation (Interest on Overpayments and Early Payments) Act 1983*.

(7) Before the end of the 7 days after the start of the period during which, under section 14ZW, the entity may object to the decision, the Commissioner must notify the entity, in writing, that the entity may object to the decision.

Note: For the start of the period for objecting to the decision, see paragraph 14ZW(1)(aad) and subsection 14ZW(4).

(8) A failure to comply with subsection (7) does not affect the validity of the decision.

3B Retaining refunds until notification under Division 389 or ascertainment of liability

Commissioner may retain an amount

(1) The Commissioner may retain an amount that he or she otherwise would have to refund to an entity under section 8AA if:

- (a) the Commissioner reasonably believes that the entity has made a payment as a result of which the entity is, or will be, required to notify the Commissioner under section 389-5 of Schedule 1; and
- (b) the entity has not notified the Commissioner of the amount under that section; and
- (c) the notification affects or may affect the amount that the Commissioner refunds to the entity.

- (2) The Commissioner must inform the entity that he or she has retained the amount under this section. He or she must do so within 14 days after the day on which the relevant RBA surplus credit arose.

How long the amount may be retained

- (3) The Commissioner may retain the amount until:
- (a) the entity has given the Commissioner that notification (including notification of a nil amount); or
 - (b) the Commissioner becomes reasonably satisfied that the entity is not required to give that notification; or
 - (c) the Commissioner becomes reasonably satisfied that the entity does not have a liability (**a PAYGW liability**) to pay the Commissioner an amount of a kind referred to in item the table in subsection 389-5(1) in Schedule 1; or
 - (d) the Commissioner ascertains (including as a result of making an estimate) the total amount of the entity's outstanding PAYGW liabilities;
- whichever happens first.

Note: Interest is payable under the *Taxation (Interest on Overpayments Early Payments) Act 1983* if the Commissioner is late in making the payment under subsection (3).

Objecting to the decision to retain the amount

- (4) The entity may object to a decision of the Commissioner to retain the amount under this section in the manner set out in Part IV if the entity is dissatisfied with the decision.

Note: For the start of the period for objecting to the decision, see paragraph 14ZW(1)(aae) and subsection 14ZW(4).

VC—Taxation objections, reviews and appeals

Part 1—Introduction

Part applies to taxation objections

(1) This Part applies if a provision of an Act or of regulations (including the provision as applied by another Act) provides that a person who is dissatisfied with an assessment, determination, notice or decision, or with a failure to make a private ruling, may object against it in the manner set out in this Part.

(2) Such an objection is in this Part called a **taxation objection**.

Division 2 contains interpretive provisions necessary for this Part.

Division 3—Taxation objections

Division 3 describes how taxation objections are to be made and how they are to be dealt with by the Commissioner.

Division 4—Tribunal review

Division 4 contains provisions about applications to the Tribunal for review of decisions by the Commissioner in relation to certain taxation objections and requests for extension of time.

Division 5—Federal Court appeals

Division 5 contains provisions about appeals to the Federal Court against decisions by the Commissioner in relation to certain taxation objections.

Part 2—Interpretive provisions

General interpretation provisions

In this Part:

AAT means the Administrative Appeals Tribunal.

AAT Act means the *Administrative Appeals Tribunal Act 1975*.

Taxation decisions covered by single notice to be treated as single decision

(1) If:

(a) a provision of an Act (including a provision as applied by another Act) provides that a person who is dissatisfied with a taxation decision may object against it in the manner set out in this Part; and

(b) a notice incorporates notice of 2 or more such taxation decisions;

then, for the purposes of the provision and of this Part, the taxation decisions are taken to be one taxation decision.

(2) If:

(a) under subsection (1), 2 or more taxation decisions are taken to be a single taxation decision (in this subsection called the **deemed single taxation decision**); and

(b) the Commissioner makes an objection decision in relation to the deemed single taxation decision; and

(c) the objection decision is to any extent an ineligible income tax remission decision;

then, this Part has effect, in relation to any review or appeal, as if so much of the objection decision as consists of one or more ineligible income tax remission decisions were taken to be a separate objection decision.

Ineligible income tax remission decisions

(1) An objection decision is an **ineligible income tax remission decision** if it relates to the remission of additional tax payable by the taxpayer under the *Income Tax Assessment Act 1936* (other than Division 11 of former Part IIIAA), except where the additional tax payable under former section 163B, 224, 225, 226, 226G, 226H, 226J, 226K, 226L or 226M of that Act, whatever its amount, or payable under a provision of former Part VII of that Act other than any of the preceding sections and its amount, after the decision made, exceeds:

(i) the day on which the return or information is furnished; or

(ii) the day on which the assessment of the additional tax is made;

whichever first happens, at the rate of 20% per year of the tax properly payable by the taxpayer in respect of the year of income; or

(d) if the amount calculated in accordance with paragraph (a) is less than \$20—\$20.

(2) A reference in this section to a provision of the *Income Tax Assessment Act 1936* includes a reference to that provision as applied by any other Act.

Part 3—Taxation objections

How taxation objections are to be made

A person making a taxation objection must:

- (a) make it in the approved form; and
- (b) lodge it with the Commissioner within the period set out in section 14ZW; and
- (c) state in it, fully and in detail, the grounds that the person relies on.

Note: A person who objects against the Commissioner's failure to make a private ruling must lodge a draft private ruling with the objection: see subsection 359-50(4).

Limited objection rights in the case of certain amended taxation decisions

If the taxation objection is made against a taxation decision, being an assessment or determination that has been amended in any particular, then a person's right to object against the amended assessment or amended determination is limited to a right to object against alterations or additions in respect of, or matters relating to, that particular.

Limited objection rights because of other objections

If there has been a taxation objection against:

- (a) a private ruling; or
- (b) a determination under subsection 960-555(3) of the *Income Tax Assessment Act 1997*; or

Decisions treated as single decision for common objection grounds

- (2) If:
- (a) a person makes a taxation objection at a particular time on a particular ground, against a taxation decision to which this section applies; and
 - (b) at that time, the person also objects, or could also object, on that ground, against another taxation decision to which this section applies;

then, for the purposes of this Part, those taxation decisions are taken to be one taxation decision.

Limited objection rights because of earlier objection

- (3) A person cannot object under this Part against a taxation decision to which this section applies on a particular ground if
- (a) the ground was a ground for an objection the person has made against another decision to which this section applies;

 - (b) at that time, the person also objects, or could also object, on that ground, against another taxation decision to which this section applies;

then, for the purposes of this Part, those taxation decisions are taken to be a single taxation decision.

Limited objection rights because of earlier objection

- (3) A person cannot object under this Part against a taxation decision to which this section applies on a particular ground if
- (a) the ground was a ground for an objection the person has made against another decision to which this section applies;
 - (b) the ground could have been a ground for an objection the person has made against another decision to which this section applies.

Part 1—Collection and recovery of income tax and other liabilities

Note: See section 3AA.

Part 2—Collection, recovery and administration of income tax

Part 1—Introduction to the Pay as you go (PAYG) system

Part 6—Guide to Parts 2-5 and 2-10

What Parts 2-5 and 2-10 are about

To help taxpayers meet their annual income tax liability, they are required to pay amounts of their income at regular intervals as it is earned during the year. The system for collecting these amounts is called “Pay as you go”.

Amounts collected under this system also go towards meeting liability for Medicare levy and liability to repay debts under certain income-contingent loan schemes.

Part 6 Pay as you go (PAYG) system

- (1) Parts 2-5 and 2-10 establish the PAYG system, which has 2 components:
- PAYG withholding (Part 2-5)
 - PAYG instalments (Part 2-10).

PAYG withholding

- (2) Under PAYG withholding, amounts are collected in respect of particular kinds of payments or transactions. Usually, someone

makes a payment to you is required to *withhold* an amount from the payment, and then to pay the amount to the Commissioner.

For a list of the payments and other transactions to which PAYG withholding applies, see Division 12.

PAYG instalments

(3) You pay PAYG instalments directly to the Commissioner. These instalments are usually based on your GDP-adjusted notional tax or your ordinary income for a past period, but excluding:

- income subject to PAYG withholding (with certain exceptions)
 - exempt income, or income that is otherwise not assessable
- An instalment is usually paid after a quarter, but some taxpayers are eligible to pay an annual instalment after the end of the income year.

How the amounts collected are dealt with

You are entitled to credits for the amounts of your income that are collected under the PAYG system. The credits are applied under Division 3 of Part IIB against your tax debts, and any excess is refunded to you.

-5—Pay as you go (PAYG) withholding

n 10—Guide to Part 2-5

What this Part is about

Under PAYG withholding, amounts are collected in respect of particular kinds of payments or transactions. Usually, someone who makes a payment to you is required to *withhold* an amount from the payment, and then to pay the amount to the Commissioner. If the payment is personal services income that is included in the assessable income of someone else under Division 86 of the *Income Tax Assessment Act 1997*, the payer must pay such an amount to the Commissioner at a later date.

If a non-cash benefit is provided instead of a payment, the provider must first pay to the Commissioner the amount that would have been withheld from the payment.

This Part also contains provisions about the obligations and rights of payers and recipients.

Summary of withholding payments

(1) The payments and other transactions covered by PAYG withholding are called withholding payments. They are summarised in the table.

Note: The obligation to pay an amount to the Commissioner is imposed on the entity making the withholding payment (except for items 17, 19, 22 and 26 (to the extent that it covers subsection 12-390(4))).

Payment in respect of investment

Recipient does not quote tax file number

 - (a) all or some of the payment is *ordinary income or *statutory income of the other entity; and
 - (b) if the investment is non-transferable—the other entity did not *quote its *tax file number in connection with the investment before the time when the payment became payable; and
 - (c) if the investment is transferable—the other entity did not quote its tax file number in connection with the investment before the time when the other entity had to be registered by the investment body as the *investor to be entitled to the payment.

Note: If the investment body is an AMIT, under subsection 12A-205(2) a payment may be treated, for the purposes of this Part, as having been paid to another entity by the investment body.

Payment in respect of units in a trust or investment-related betting chance

- (2) If a *Part VA investment consists of:
 - (a) units in a unit trust (as defined in section 202A of the *Income Tax Assessment Act 1936*); or
 - (b) an investment-related betting chance;
 an entity (including the *investment body) must withhold an amount from a payment it makes to another entity in respect of the investment if the conditions in subsection (1) of this section are met.

For exceptions to the rules in this section, see sections 12-150 to 12-154.

- (3) If:
 - (a) because of subsection 12A-205(2), an entity is treated as having made a payment to another entity; and

- (4) The entity is entitled to set off an amount that the entity can recover from the other entity under subsection (3) against debts due by the entity to the other entity.

Investor becoming presently entitled to income of a unit trust

(1) This section applies if:

(a) a *Part VA investment consists of units in a unit trust (as defined in section 202A of the *Income Tax Assessment Act 1936*); and

(b) the *investor becomes presently entitled, for the purpose of Division 6 of Part III of the *Income Tax Assessment Act 1936*, to a share of income of the trust at a time (the **entitlement time**) before any of that share is paid to the investor.

(2) The entity (including the *investment body) that would have paid that share to the *investor if the share were due and payable—the entitlement time must withhold from the share, at that time, an amount (if any) that subsection 12-140(2) would have required to withhold if it had paid the share to the investor at that time.

For exceptions to the rules in this section, see sections 12-155 to 12-157.

(3) This Part (except section 12-140 and this section) applies as if that entity had paid that share to the *investor at the entitlement time.

(4) If that entity withholds an amount from that share as required by subsection (2), subsection 12-140(2) does not require an amount to be withheld from a payment of all or part of that share to the *investor.

Limited application of section 12-140 to payment under financial arrangement

(1) This section limits the extent to which section 12-140 applies to a payment in respect of a *Part VA investment if the investment is a qualifying security (within the meaning of Division 16E of Part III of the *Income Tax Assessment Act 1936* (about gains accruing on securities)) and:

(a) is of a kind mentioned in item 1 or 2 of the table in subsection 202D(1) of that Act; or

(b) is of a kind mentioned in item 3 of that table and is non-transferable.

Note: Section 202D of the *Income Tax Assessment Act 1936* lists the investments in connection with which tax file numbers are to be quoted.

(2) Section 12-140 applies to the payment only to the extent that is covered by one or both of these paragraphs:

(a) so much of the payment as consists of periodic interest (within the meaning of Division 16E of Part III of the *Income Tax Assessment Act 1936*);

(b) if the payment became payable at the end of the term (within the meaning of that Division) of the investment—so much of the payment as does not exceed what section 159 of that Act would include in the *investor's assessable income for the income year in which that term ended.

Note: This limitation ensures that an amount is not withheld from payment of an amount in respect of which TFN withholding tax is payable. See Subdivision 14-B.

(3) The adoption (under section 18 of the *Income Tax Assessment Act 1936*) of an accounting period ending on a day other than 30 June is disregarded for the purposes of:

(a) paragraph (2)(b) of this section; and

(b) the application of Division 16F of Part III of that Act for

Limited application of section 12-140 to payment covered by section 12A-205

- (1) If a payment is treated under section 12A-205 as having been made, section 12-140 does not apply to the payment to the extent that it covers a *pre-AMMA actual payment from which section 12-140 has required an amount to be withheld.
- (2) If a payment is a *post-AMMA actual payment, section 12-140 does not apply to the payment to the extent that it covers either both of the following:
 - (a) a *pre-AMMA actual payment from which section 12-140 has required an amount to be withheld;
 - (b) a payment that is treated under section 12A-205 as having been made from which section 12-140 has required an amount to be withheld.

When investor may quote ABN as alternative

Section 12-140 or 12-145 does not require an amount to be withheld if:

- (a) the other entity made the investment in the course or furtherance of an *enterprise *carried on by it; and
- (b) the other entity has an *ABN, and has *quoted it to the investment body, by the time referred to in paragraph 12-140(1)(b) or (c).

Investment body unaware that exemption from quoting TFN has stopped applying

Section 12-140 or 12-145 does not require an amount to be withheld if:

- (a) a provision of Division 5 of Part VA of the *Income Tax Assessment Act 1936* has applied to the other entity in relation to the investment, but no longer applies when the payment is made; and
- (b) when the payment is made, the *investment body has not been informed of anything that resulted in the provision no longer applying.

Note: Division 5 of Part VA of that Act provides, in certain cases, that even though an entity has not quoted its tax file number it is taken to have so.

Exception for fully franked dividend

Section 12-140 does not require an amount to be withheld if

- (a) the investment consists of *shares in a public company defined in section 202A of the *Income Tax Assessment Act 1936*; and
- (b) the payment is a *distribution that has been franked in accordance with section 202-5 of the *Income Tax Assessment Act 1997*; and
- (c) the *franking percentage for the distribution is 100%.

Exception for payments below thresholds set by regulations

- (1) Section 12-140 or 12-145 does not require an amount to be withheld if the payment is less than the amount worked out under

- (3) If the distribution is not a payment, this Part applies as if the trustee paid the amount of the distribution to the beneficiary at the distribution time.

Trust income of earlier income years

- (4) Subsections (2) and (3) do not apply to the distribution, to the extent that:

- (a) the beneficiary is presently entitled, for the purposes of

Division 6 of Part III of the *Income Tax Assessment Act 1936* to a share of the income of the trust of an earlier income year and

- (b) the distribution is a distribution of some or all of that share.

- (d) family trust distribution tax is not payable on that share of the income of the trust under Schedule 2F to that Act.

Note 1: If the trust is a unit trust, the trustee may be required to withhold under section 12-145 in priority to this section: see section 12-5.

Note 2: The trustee commits an offence if the trustee fails to withhold an amount as required by this section: see section 16-25.

Application of rest of Part

- (3) This Part (other than section 12-175) applies as if the trustee paid that share of the *net income of the trust to the beneficiary at the end of the income year.

Entitlements already paid

- (4) Subsections (2) and (3) do not apply to that share of the *net income of the trust to the extent that the trustee distributed all of that share to the beneficiary during the income year.

Note: The trustee may have been required to withhold from that distribution under section 12-175.

Trusts that end during the year

- (5) This section applies as if each reference to the end of an income year were a reference to the time occurring just before the trust ends, if the trust ends during the income year.

Exception for payments below thresholds set by regulations

Division 12-H—Distributions of withholding MIT income

to Subdivision 12-H

What this Subdivision is about

A withholding MIT may be required to withhold an amount from a payment of its Australian sourced net income (other than dividends, interest and royalties) if the payment is made to an entity whose address, or place for payment, is outside Australia. If the payment is made to another entity, the withholding MIT is required to make information available to the recipient outlining certain details in relation to the payment.

If a custodian receives a payment that is covered by that information, it is required to withhold an amount from any related later payment to an entity whose address, or place for payment, is outside Australia. If the later payment is made to another entity, the custodian is required to make information available in relation to that later payment.

If an entity that is not a custodian receives a payment that is

covered by that information, it is required to withhold an amount from that payment if a foreign resident becomes entitled to the payment. If a resident becomes entitled to the payment, the entity must make information available in relation to that payment.

Where there is an obligation to withhold, the applicable withholding rate is determined by the nature of the country or territory in which the recipient's address, place for payment or residency is located and whether the trust is a clean building managed investment trust.

A managed investment trust is a clean building managed investment trust if it is a managed investment trust that holds one or more clean buildings and does not derive assessable income from any other taxable Australian property (other than certain assets that are reasonably incidental to a clean buildi

- (1) A *custodian must withhold an amount from a payment (the **payment**) it makes if:
 - (a) all or some of the later payment (the **covered part**) is reasonably attributable to the part of an earlier payment received by the custodian that was covered by a notice or information under section 12-395; and
 - (b) the later payment is made to an entity covered by section 12-410.

Note 1: The covered part referred to in paragraph (1)(a) is attributable to payment made by a withholding MIT, or 2 or more fund payments made by one or more withholding MITs. One or more of those withholding MITs may be AMITs.

Note 2: An entity may be covered by section 12-410 if the entity has an address outside Australia or payment is authorised to be made to a place outside Australia.

Note 3: If the payment is made to a recipient not covered by section 12-410, the custodian is required to give a notice to the recipient or publish information on a website setting out certain details about the payment under section 12-395.

- (2) The amount the *custodian must withhold is:

Covered part × Rate applicable under subsection (3)

- (3) The rate is:

- (a) if the address or place for payment of the recipient is in a *information exchange country:
 - (i) 15% for *fund payments (except to the extent mentioned in subparagraph (ii) or (iii)); or
 - (ii) 10% for fund payments, to the extent that they are attributable to fund payments from a *clean build managed investment trust (except to the extent mentioned in subparagraph (iii)); or
 - (iii) 30% for fund payments, to the extent that they are attributable to *non-concessional MIT income (see section 12-435); or
- (b) otherwise—30%.

Withholding by other entities

- (4) An entity that is not a *withholding MIT or a *custodian must withhold an amount from a payment it receives if:
 - (a) the payment or part of it (the **covered part**) was covered by a notice or information under section 12-395; and
 - (b) a foreign resident (the **recipient**) is or becomes entitled to:
 - (i) to receive from the entity; or
 - (ii) to have the entity credit to the recipient, or otherwise deal with on the recipient's behalf or as the recipient

directs;

an amount (the **attributable amount**) reasonably attributable to the covered part.

Note 1: The covered part referred to in paragraph (4)(a) is attributable to payment made by a managed investment trust, or 2 or more fund payments made by one or more managed investment trusts. One or more of the managed investment trusts may be AMITs.

Note 2: If the recipient is not a foreign resident, the entity is required to give notice to the recipient or publish information on a website setting out certain details about the payment: see section 12-395.

(5) The amount the entity must withhold is:

$\text{Attributable amount} \times \text{Rate applicable under subsection (6)}$

(6) The rate is:

- (a) if the recipient is a resident of an *information exchange country:
 - (i) 15% for *fund payments (except to the extent mentioned in subparagraph (ii) or (iii)); or

- (b) otherwise—30%.

(7) An entity is a resident of an *information exchange country if:

- (a) the entity is a resident of that country for the purposes of the taxation laws of that country; or
- (b) if there are no taxation laws of that country applicable to the entity or the entity's residency status cannot be determined under those laws:
 - (i) for an individual—the individual is ordinarily resident in that country; or
 - (ii) for another entity—the entity is incorporated or formed in that country and is carrying on a business in that country.

(8) An amount required to be withheld under subsection (4) must be withheld:

- (1) An entity that is a *withholding MIT or a *custodian must comply with subsection (2) if:
 - (a) the entity makes a payment to another entity (the **recipient**) from which an amount would have been required to be withheld under section 12-385 or subsection 12-390(1) if the payment had been made to an entity covered by section 12-410; and
 - (b) an amount is not required to be withheld from the payment because the recipient is not an entity covered by section 12-410.

Note: An entity may be covered by section 12-410 if the entity has an address outside Australia or payment is authorised to be made to a place outside Australia.

- (2) The entity must:

 - (a) the entity receives a payment; and
 - (b) another entity (also the **recipient**) is or becomes entitled

(6) The notice must be given, or the details must be made available on a website, before or at the time when the amount is paid or credited to the recipient, or is dealt with on the recipient's behalf or as the recipient directs, and:

(a) must specify the part of the payment referred to in paragraph (4)(a) from which an amount would have been required to have been withheld; and

(aa) must specify the extent (if any) to which the payment is attributable to, a *fund payment from a *clean building managed investment trust; and

(ab) must specify the extent (if any) to which the payment is attributable to, *non-concessional MIT income (see section 12-435); and

Note: Failure to give the notice or make the details available as required in this section incurs an administrative penalty: see section 12-415.

Meaning of *fund payment*—general case

(1) The object of this section is to ensure that the total of the *fund payments that the trustee of a trust makes in relation to an income year equals, as nearly as practicable, the net income of the trust for the income year, disregarding these amounts (**excluded amounts**):

(a) a dividend (as defined in Division 11A of Part III of the *Income Tax Assessment Act 1936*) that is subject to, or exempted from, a requirement to withhold under Subdivision 12-F;

(b) interest (as so defined) that is subject to, or exempted from, such a requirement;

(c) a *royalty that is subject to, or exempted from, such a requirement;

(d) a *capital gain or *capital loss from a *CGT event that happens in relation to a *CGT asset that is not *taxable Australian property;

(e) amounts that are not from an *Australian source; and disregarding deductions relating to excluded amounts.

(1A) This section applies to a trust that is *not* an *AMIT for an income year.

Note: For the definition of **fund payment** in respect of a trust that is an AMIT for an income year, see section 12A-110.

(2) Work out as follows how much of a payment (the **actual payment**) made by the trustee of a trust in relation to an income year is a **fund payment** in relation to that year:

Step 1. Reduce the actual payment by so much of it that is attributable to excluded amounts, and increase it by amounts to which subsection (2A) or (2B) applies for the income year (except to the extent that capital gains against which those amounts are applied are included in the actual payment made in relation to the income year).

Step 2. Work out what it is reasonable to expect will be the net income of the trust for the income year:

(aa) increasing the net income by any amounts to which subsection (2A) or (2B) applies for the income year; and

(a) disregarding (except to the extent that they are amounts to which subsection (2A) or (2B) applies for the income year) excluded amounts, expected excluded amounts and deductions relating to those amounts; and

(b) on the basis that a *capital gain from *taxable Australian property of the trust that was or would have been reduced under step 3 of the method statement in subsection 102-5(1) of the *Income Tax Assessment Act 1997* were double the amount it actually is.

Step 3. The **fund payment** is so much of the step 2 amount that is reasonable having regard to:

(a) the object of this section; and

(b) the step 1 amount; and

(c) the amounts of any earlier fund payments made by the trustee in relation to the income year; and

(d) the expected amounts of any later fund payments the trustee expects to make in relation to the income year.

(2A) If:

(a) during an income year, a *capital loss from a *CGT event happens in relation to a *CGT asset that is not *taxable Australian property; and

(b) in relation to that income year, some or all of the capital loss is applied against a *capital gain from a CGT event that happens in relation to a CGT asset that is taxable Australian property;

this subsection applies, for that income year, to the amount that is so applied.

(2B) If:

(a) the trust has a *net capital loss for an income year; and

(b) one or more of the *capital losses the trust made during the income year were from *CGT events that happened in relation to *CGT assets that were not *taxable Australian property;

(c) in relation to a later income year, some or all of the net capital loss is applied against a *capital gain from a CGT event that happens in relation to a CGT asset that is taxable Australian property;

this subsection applies, for the later income year, to an amount

equal to so much of the net capital loss that is so applied as relate to capital losses mentioned in paragraph (b).

- (3) The expected *net income of the trust and the expected amount of future *fund payments are to be worked out on the basis of trustee's knowledge when the actual payment is made.
- (4) However, an amount is not a **fund payment** in relation to the income year unless it is paid:
 - (a) during the income year; or
 - (b) within 3 months after the end of the income year; or
 - (c) within a longer period (starting at the end of the period referred to in paragraph (b) and not exceeding 3 months) allowed by the Commissioner.
- (5) The Commissioner may allow a longer period as mentioned in paragraph (4)(c) only if the Commissioner is of the opinion that the trustee was unable to make the payment during the income year within 3 months after the end of the income year, because of circumstances beyond the influence or control of the trustee.

Entity to whom payment is made

- (1) An entity (the **recipient**) is covered by this section for a payment made to it by another entity (the **payer**) if:
 - (a) according to any record that is in the payer's possession is kept or maintained on the payer's behalf, the recipient has an address outside Australia; or
 - (b) the payer is authorised to make the payment to a place outside Australia.
- (2) However, a recipient is not covered by this section for a payment if, at the time the payment was made, a *business the recipient carries on is carried on at or through an *Australian permanent establishment and the payment is attributable to that establishment.

Failure to give notice or make information available: administrative penalty

An entity that:

- (a) is required to give a notice, or make details available on its website, under section 12-395 in relation to:
 - (i) a payment made to another entity; or
 - (ii) an amount paid or credited to, or dealt with on behalf of or as directed by, another entity; and
- (b) fails to comply with that section;

is liable to pay to the Commissioner a penalty equal to the amount that would have been required to be withheld under this Subdivision (disregarding subsection 12-385(5) and paragraph 12-390(10)(b)) in relation to amounts attributable to the payment or amount if the notice had been given or the details been made available.

Note: Division 298 in this Schedule contains machinery provisions for administrative penalties.

Agency rules

- (1) This section applies to:
 - (a) a payment (the **first payment**) made to an entity (the **entity**) in the capacity as *agent for another entity; and
 - (b) another payment made by the first entity to the extent

~~(w) another payment made by the first entity to the extent it is reasonably attributable to the first payment.~~

- (2) This Subdivision has effect as if the first entity were not an *agent in relation to the payments.

Note: As a result of subsection (2), an agent may be required to withhold amounts under this Subdivision.

Meaning of *MIT cross staple arrangement income*

(1) This section applies if:

- (a) an amount is included in the assessable income for an income year of a *managed investment trust in relation to its income year (worked out for the purposes of determining the trust's *net income, or in the case of an *AMIT, the trust's assessable income, for the income year); and

- (a) treat references in this section to the previous income year as instead being references to the income year; and

Integrity rule—concessional cross staple rent cap

- (1) This section applies if:
- (a) a *managed investment trust in relation to an income year derives, receives or makes an amount of *excepted MIT CSA income for the income year; and
 - (b) if the amount is excepted MIT CSA income because of subsection 12-440(3)—paragraph 12-440(4)(b) applies (15 concession); and
 - (c) the amount of excepted MIT CSA income is, or is attributable to, *rent from land investment under a lease (**cross staple lease**) entered into by:
 - (i) the *asset entity mentioned in paragraph 12-437(2) (the **relevant asset entity**); and
 - (ii) the *operating entity mentioned in paragraph 12-437(2) (b) (the **relevant operating entity**).
- (2) To the extent (if any) that the amount of the relevant asset entity's *excepted MIT CSA income exceeds its *concessional cross staple rent cap for the income year, the following provisions do not apply to the amount of the *managed investment trust's excepted MIT CSA income mentioned in paragraph (1)(a):
- (a) subsection 12-437(5);
 - (b) subsection 12-440(3).
- (3) If the relevant asset entity is not a *managed investment trust in relation to the income year, for the purposes of subsection (2) it is treated as a managed investment trust in relation to the income year.

Meaning of *excepted MIT CSA income*

An amount is ***excepted MIT CSA income*** of a *managed investment trust in relation to an income year if it would be *MIT CSA income of the trust if it were a cross staple arrangement income of the managed investment trust but for any of the following provisions:

- (1) This section applies if:
- (a) the amount mentioned in subsection 12-441(1) is *excepted MIT CSA income because of subsection 12-440(3); and
 - (b) the cross staple lease was entered into before 27 March 2019.

2018; and

- (c) the cross staple lease, or associated documents, specify any of the following before 27 March 2018:
- (i) the amount of annual rent under the lease for the year of the lease that ends after 27 March 2018;
 - (ii) an objective method for determining the amount of annual rent under the lease; and
- (d) if subparagraph (c)(ii) applies—the method is set out in the cross staple lease, or the associated documents, before 27 March 2018.

(2) If subparagraph (1)(c)(ii) applies, the **concessional cross staple rent cap** for an income year of the *managed investment trust is the amount of annual rent determined for the income year under the method mentioned in that subparagraph.

(3) If subparagraph (1)(c)(ii) does not apply, the **concessional staple rent cap** for an income year of the *managed investment trust is:

- (a) for an income year where the lease, or the associated documents, specify the amount of annual rent for the corresponding year of the lease under subsection (4)—that amount; or
- (b) for an income year where that amount is not so specified, the amount worked out under paragraph (a) in relation to the most recent year of the lease for which an amount is so specified, indexed annually in accordance with Subdivision 960-M of the *Income Tax Assessment Act 1997*.

(4) An income year and a year of the lease correspond to each other under this subsection if both of those years end:

- (a) after a particular 27 March; and
- (b) on or before the next 27 March.

Concessional cross staple rent cap—general

- (1) This section applies if section 12-443 does not apply.

 - (ii) if the relevant asset entity is an AMIT—the sum of the relevant asset entity's *trust components with the character of assessable income, or the relevant asset entity's tax loss, for the income year;
 - (iii) if the relevant asset entity is a partnership—the relevant asset entity's net income, or partnership loss (within the meaning of section 90 of the *Income Tax Assessment Act 1936*), for the income year;
 - (b) next, work out a reasonable estimate of whichever of the following is applicable:
 - (i) if the relevant operating entity is a trust that is not an AMIT—the operating asset entity's net income, or tax for the income year;
 - (ii) if the relevant operating entity is a partnership—the relevant operating entity's net income, or partnership loss (within the meaning of section 90 of the *Income Tax Assessment Act 1936*), for the income year;

(within the meaning of section 90 of the *Income Tax Assessment Act 1936*), for the income year;

- (iii) otherwise—the relevant operating entity's taxable income or tax loss for the income year;
- (c) next, add the results of paragraphs (a) and (b);
- (d) next, multiply the result of paragraph (c) by 0.8;
- (e) next, subtract the result of paragraph (a) from the result of paragraph (d);
- (f) next, add the amount of *excepted MIT CSA income mentioned in subsection 12-441(1) to the result of paragraph (e).

If the result of paragraph (f) is a positive number, the **concessional cross staple rent cap** is that result. Otherwise **concessional cross staple rent cap** is nil.

- (3) For the purposes of paragraphs (2)(a) and (b):
 - (a) treat the amount of a *tax loss, or of a partnership loss (within the meaning of section 90 of the *Income Tax Assessment Act 1936*), as a negative number; and
 - (b) disregard any *tax loss for a previous income year of the relevant asset entity or relevant operating entity.

- (2) The amount of the deduction can only be deducted against an amount of assessable income of the *asset entity as follows:
 - (a) first, the amount can only be deducted against an amount of assessable income that is *excepted MIT CSA income, to the extent that the excepted MIT CSA income does not exceed the entity's *concessional cross staple rent cap for the income year;
 - (b) next, if an amount of the deduction remains after applying the rule in paragraph (a), the amount can only be deducted against an amount of assessable income that is *MIT cross staple arrangement income;

 - (ii) a *pre-AMMA actual payment in respect of a payment that so arises.

(5) The entity must:

- (a) give to the subsequent recipient a written notice containing the details specified in subsection (6); or
 - (b) make those details available on a website in a way that the details are readily accessible to the subsequent recipient for not less than 5 continuous years.
- (6) The notice must be given, or the details must be made available on a website, before or at the time when the amount is paid or credited to the subsequent recipient, or is dealt with on the subsequent recipient's behalf or as the subsequent recipient directs, and:
- (a) must specify the part of the payment referred to in paragraph (4)(a) from which an amount would have been required to have been withheld; and
 - (b) must specify the income year of the *AMIT to which the part relates.

Note: Failure to give the notice or make the details available as required in this section incurs an administrative penalty: see section 12A-20.

Failure to give notice or make information available under section 12A-15: administrative penalty

An entity that:

(a) is required to give a notice, or make details available on its website, under section 12A-15 in relation to:

(i) a payment made to another entity; or

(ii) an amount paid or credited to, or dealt with on behalf of or as directed by, another entity; and

(b) fails to comply with that section;

is liable to pay to the Commissioner a penalty equal to the amount that would have been required to be withheld under this Subdivision (disregarding section 12-300) in relation to amounts attributable to the payment or amount if the notice had been given or the details had been made available.

Note: Division 298 in this Schedule contains machinery provisions for administrative penalties.

Meaning of *AMIT DIR payment*

An ***AMIT DIR payment*** means any of the following:

(a) an *AMIT dividend payment;

(b) an *AMIT interest payment;

(c) an *AMIT royalty payment.

Meaning of *AMIT dividend payment*

(1) This section applies to a trust that is an *AMIT for an income year.

(2) The object of this section is to ensure that the total of the *AMIT dividend payments that the trustee of the *AMIT makes in relation to the income year equals, as nearly as practicable, the amount mentioned in subsection (3).

(3) The amount is the total of the *determined member component for the *AMIT for the income year of the character of a divisor defined in Division 11A of Part III of the *Income Tax Assessment Act 1936*) that is subject to a requirement to withhold under Subdivision 12-F.

(4) A payment (the ***actual or deemed payment***) that the trustee of a trust makes in relation to an income year is an ***AMIT dividend payment*** in relation to that year. However, the amount of the dividend payment is worked out under the following method statement, and may be:

(a) the amount of the actual or deemed payment; or

(b) the amount of the actual or deemed payment, increased or reduced as a result of the method statement.

Note: The payment by the trustee may be an actual payment, or a deemed payment under section 12A-205.

Method statement

Step 1. Work out what it is reasonable to expect will be the amount mentioned in subsection (3).

Step 2. The ***AMIT dividend payment*** is so much of the step 1 amount as is reasonable having regard to:

(a) the object of this section; and

(b) the amounts of any earlier AMIT dividend payments made by the trustee in relation to the income year; and

(c) the expected amounts of any later AMIT dividend payments the trustee expects to make in relation to the income year.

- (5) The amount mentioned in subsection (3) and the expected amounts of any later *AMIT dividend payments are to be worked out on the basis of the trustee's knowledge when the payment made.
- (6) Subsection (5) does not apply if the payment is a payment arising because of the operation of section 12A-205 (deemed payment).
- (7) However, the payment is not an **AMIT dividend payment** in relation to the income year if:
- the payment is a *post-AMMA actual payment in respect of another payment; and
 - the other payment arises because of the operation of section 12A-205; and
 - the other payment is an AMIT dividend payment.

Meaning of AMIT interest payment

- (1) This section applies to a trust that is an *AMIT for an income year.
- (2) The object of this section is to ensure that the total of the *AMIT interest payments that the trustee of the *AMIT makes in relation to the income year equals, as nearly as practicable, the amount mentioned in subsection (3).
- (3) The amount is the total of the *determined member components for the *AMIT for the income year of the character of interest (as defined in Division 11A of Part III of the *Income Tax Assessment Act 1936*) that is subject to a requirement to withhold under Subdivision 12-F.
- (4) To work out the amount of an **AMIT interest payment**, apply subsections 12A-30(4), (5), (6) and (7). For this purpose:
- treat references in those subsections to AMIT dividend payments as instead being references to AMIT interest payments; and
 - treat the reference in subsection 12A-30(4) to "the amount mentioned in subsection (3)" as instead being a reference to "the amount mentioned in subsection 12A-35(3)".

Meaning of AMIT royalty payment

- (1) This section applies to a trust that is an *AMIT for an income year.
- (2) The object of this section is to ensure that the total of the *AMIT royalty payments that the trustee of the *AMIT makes in relation to the income year equals, as nearly as practicable, the amount mentioned in subsection (3).
- (3) The amount is the total of the *determined member components for the *AMIT for the income year of the character of a *royalty (as defined in Division 11A of Part III of the *Income Tax Assessment Act 1936*) that is subject to a requirement to withhold under Subdivision 12-F.
- (4) To work out the amount of an **AMIT royalty payment**, apply subsections 12A-30(4), (5), (6) and (7). For this purpose:
- treat references in those subsections to AMIT dividend payments as instead being references to AMIT royalty payments; and

- (b) treat the reference in subsection 12A-30(4) to "the amount mentioned in subsection (3)" as instead being a reference "the amount mentioned in subsection 12A-40(3)".

ision 12A-B—Distributions by AMITs relating to Subdivision 12-H fund payments

to Subdivision 12A-B

0 What this Subdivision is about

Withholding liabilities under Subdivision 12-H do not apply in relation to deemed payments arising under Subdivision 12A-C analogous to fund payments under Subdivision 12-H (although analogous liabilities may arise under Subdivision 12A-C).

AMIT trustees, custodians and other entities may be required to give notices etc. to recipients of such deemed payments.

12A-110 Meaning of **fund payment**—AMITs

itive provisions

5 Deemed payments—no obligation to withhold under Subdivision 12-H

- (1) The trustee mentioned in subsection 12-385(1) need not withhold an amount under that subsection from the payment mentioned in that subsection if the payment arises because of the operation of section 12A-205 (deemed payments).

Note: The trustee may have to pay the Commissioner an amount in respect of the deemed payment (see Subdivision 12A-C).

- (2) The *custodian mentioned in subsection 12-390(1) need not withhold an amount under that subsection from the later payment mentioned in that subsection if:

- (a) the later payment arises because of the operation of section 12A-205 (deemed payments); or
- (b) the later payment is a *post-AMMA actual payment in respect of a payment of a kind mentioned in paragraph (a).

Note: Either or both of the trustee of the AMIT concerned and the custodian may have to pay the Commissioner an amount in respect of the deemed payment (see Subdivision 12A-C).

- (3) The entity mentioned in subsection 12-390(4) need not withhold an amount under that subsection from the payment mentioned in that subsection if:

- (a) the payment arises because of the operation of section 12A-205 (deemed payments); or
- (b) the payment is a *post-AMMA actual payment in respect of a payment of a kind mentioned in paragraph (a).

Note: The entity may have to pay the Commissioner an amount in respect of the deemed payment (see Subdivision 12A-C).

- (4) Disregard this section for the purposes of section 12-395.

0 Meaning of **fund payment—AMITs**

(1) This section applies to a trust that is an *AMIT for an income year.

(2) The object of this section is to ensure that the total of the *final payments that the trustee of the *AMIT makes in relation to the income year equals, as nearly as practicable, the amount mentioned in subsection (3).

(3) The amount is the sum of the following amounts:

(a) total of the *determined member components for the *AMIT for the income year of a character relating to assessable income, disregarding determined member components (the **excluded components**) of any of the following character

(i) the character of a *discount capital gain from a *CGT asset that is *not* *taxable Australian property;

(ii) the character of a *capital gain (other than a discount capital gain) from a CGT asset that is *not* taxable Australian property;

(iii) the character of a dividend (as defined in Division 11 of Part III of the *Income Tax Assessment Act 1936*) that is subject to, or exempted from, a requirement to withhold under Subdivision 12-F;

(iv) the character of interest (as defined in Division 11 of Part III of the *Income Tax Assessment Act 1936*) that is subject to, or exempted from, a requirement to withhold under Subdivision 12-F;

(v) the character of a *royalty that is subject to, or exempted from, a requirement to withhold under Subdivision 12-F;

(vi) the character of *ordinary income, or *statutory income, from a source *other than* an *Australian source;

(vii) if a legislative instrument under subsection (4) specifies a character—that character;

(b) the total of each *capital loss of the AMIT from a *CGT event that:

(i) happened in the income year to a CGT asset that is *not* *taxable Australian property; and

(ii) has been applied against a capital gain from a CGT event that happened in relation to a CGT asset that is *not* *taxable Australian property;

but only to the extent that each such capital loss has been so applied in the income year;

(c) the total of each amount to which subsection (3A) applies in relation to the income year.

(3A) If:

(a) the AMIT has a *net capital loss for an earlier income year; and

(b) one or more of the *capital losses the trust made during an earlier income year were from *CGT events that happened in relation to *CGT assets that were *not* *taxable Australian property; and

(c) in relation to the income year mentioned in paragraph (c), some or all of the net capital loss is applied against a *capital gain from a CGT event that happens in relation to a CGT asset that is *taxable* Australian property;

this subsection applies, for the income year mentioned in paragraph (3)(c), to an amount equal to so much of the net cap

loss that is so applied as related to capital losses mentioned in paragraph (b) of this subsection.

- (4) The Commissioner may, by legislative instrument, specify one or more characters for the purposes of subparagraph (3)(a)(vii).
- (5) A payment (the **actual or deemed payment**) that the trustee of a trust makes in relation to an income year is a **fund payment** in relation to that year. However, the amount of the fund payment is to be worked out under the following method statement, and may be:
- the amount of the actual or deemed payment; or
 - the amount of the actual or deemed payment, increased or reduced as a result of the method statement.

Note: The payment by the trustee may be an actual payment, or a deemed payment under section 12A-205.

Method statement

Step 1. Reduce the actual or deemed payment by so much of it that is attributable to the excluded components.

Step 2. Work out what it is reasonable to expect will be the amount mentioned in subsection (3).

Do so on the basis that a *capital gain from *taxable Australian property of the trust that was or would be reduced under step 3 of the method statement in subsection 102-5(1) of the *Income Tax Assessment Act* 1997 were double the amount it actually is.

Step 3. The **fund payment** is so much of the step 2 amount as is reasonable having regard to:

- the object of this section; and
- the step 1 amount; and
- the amounts of any earlier fund payments made by the trustee in relation to the income year; and
- the expected amounts of any later fund payments that the trustee expects to make in relation to the income year.

- (6) The amount mentioned in subsection (3) and the expected amounts of any later *fund payments are to be worked out on the basis of the trustee's knowledge when the payment is made.
- (7) Subsection (6) does not apply if the payment is a payment arising because of the operation of section 12A-205 (deemed payment).
- (8) However, the payment is not a **fund payment** in relation to the income year if:
- the payment (the **actual payment**) is a *post-AMMA actual payment in respect of another payment; and
 - the other payment arises because of the operation of section 12A-205; and
 - the other payment is a fund payment.
- (9) An amount is also not a **fund payment** in relation to the income year unless it is paid:
- during the income year; or
 - within 3 months after the end of the income year; or
 - within a longer period (starting at the end of the period

referred to in paragraph (b) and not exceeding 3 years) allowed by the Commissioner.

- (10) The Commissioner may allow a longer period as mentioned in paragraph (9)(c) only if the Commissioner is of the opinion that
- (a) if the other payment arises at a time because of the operation of section 12A-205 (deemed payments)—the *AMIT complied with subsection 276-455(1) of the *Income Tax Assessment Act 1997* in respect of the income year (requirement to give AMMA statements within 3 months);
 - (b) otherwise—the trustee was unable to make the payment during the income year, or within 3 months after the end of the income year, because of circumstances beyond the influence and control of the trustee.

Division 12A-C—Deemed payments by AMITs etc.

to Subdivision 12A-C

0 What this Subdivision is about

When a withholding MIT that is an AMIT gives a member an AMMA statement, the trustee is deemed to have made a payment to the member.

The payment is generally the sum of the determined member components reflected in the statement that are of a character relating to assessable income, reduced by any previous actual payments related to those components.

The deemed payment can flow through one or more custodians giving rise to subsequent deemed payments.

- 12A-210 ***Post-AMMA actual payment*** and ***pre-AMMA actual payment*** in respect of deemed payment

- 12A-220 Custodian payment to the Commissioner in respect of deemed payment to offshore entities etc.

itive provisions

5 Issue of AMMA statement etc. deemed to be payment

- (1) This section applies if:
- (a) an entity (the ***first recipient***) is or was a *member of a *withholding MIT in respect of an income year; and
 - (b) the withholding MIT is an *AMIT for the income year; and
 - (c) the AMIT gives the first recipient an *AMMA statement for the income year.
- (2) For the purposes of this Part, Subdivision 840-M of the *Income Tax Assessment Act 1997* and Division 11A of Part III of the *Income Tax Assessment Act 1936*:
- (a) treat the trustee of the *AMIT as having made a payment (the ***first deemed payment***) of an amount to the first recipient at the time the AMIT gave the first recipient the *AMMA statement; and

(b) treat the amount of the first deemed payment as being amount worked out as follows:

- (i) first, work out the total of all the *determined members components of all the *members of the AMIT of a chain relating to assessable income for the income year;
- (ii) next, identify each of the *pre-AMMA actual payments (if any) made to those members in respect of all payments by the trustee to those members that arise from the operation of paragraph (a);
- (iii) next, identify every *AMIT DIR payment (if any) and each *fund payment (if any) that arises from each such pre-AMMA actual payment;
- (iv) next, reduce the result of subparagraph (i) by the amount of each such AMIT DIR payment and fund payment;
- (v) next, work out how much of the result of subparagraph (iv) is referable to the first recipient.

(3) Also, for the purposes of Division 11A of Part III of the *Income Tax Assessment Act 1936*, treat the first recipient as having derived the first deemed payment just before the end of the income year in which the *AMMA statement relates.

(4) Subsection (5) applies if:

- (a) the first recipient is a *custodian; and
- (b) another entity (the **subsequent recipient**):
 - (i) starts to have, at a time, an entitlement to an amount that is reasonably attributable to all or part of the first deemed payment; or
 - (ii) would start to have, at a time, such an entitlement if the first deemed payment were an actual payment of that amount.

(5) For the purposes of this Part, Subdivision 840-M of the *Income Tax Assessment Act 1997* and Division 11A of Part III of the *Income Tax Assessment Act 1936*:

- (a) treat the first recipient as having made a payment (the **subsequent deemed payment**) of an amount to the subsequent recipient at that time; and
- (b) treat the amount of the subsequent deemed payment as being the amount of the entitlement mentioned in subparagraph (4)(b)(i) or (ii); and
- (c) treat the amount of the subsequent deemed payment as being attributable to the first deemed payment.

(6) Also, for the purposes of Division 11A of Part III of the *Income Tax Assessment Act 1936*, treat the subsequent recipient as having derived the subsequent deemed payment at the time the subsequent deemed payment arises.

(7) If:

- (a) an entity is a subsequent recipient mentioned in subsection (4) (including as a result of a previous operation of this subsection); and
- (b) subsection (5) applies with the result that a payment is treated as having been made to the entity; and
- (c) the entity is a *custodian;

apply subsections (4), (5) and (6) again as if the entity were the first recipient mentioned in subsection (4).

Note: This means that the entity is treated under subsection (5) as having

made a payment to another entity if the other entity has (or would have) entitlement as mentioned in paragraph (4)(b).

0 Post-AMMA actual payment and pre-AMMA actual payment in respect of deemed payment

- (1) A payment that does *not* arise because of the operation of section 12A-205 is a **post-AMMA actual payment** in respect of payment (the **deemed payment**) that *does* arise because of the operation of that section if:
 - (a) the payment and the deemed payment are both attributed to the same *member component for the *AMIT mentioned in that section; and
 - (b) the actual payment is made *at or after* the time the deemed payment arises.
- (2) A payment that does *not* arise because of the operation of section 12A-205 is a **pre-AMMA actual payment** in respect of payment (the **deemed payment**) that *does* arise because of the operation of that section if:
 - (a) the payment and the deemed payment are both attributed to the same *member component for the *AMIT mentioned in that section; and
 - (b) the actual payment is made *before* the time the deemed payment arises.

5 AMIT payment to the Commissioner in respect of deemed payments to offshore entities etc.

- (1) A trustee of a trust that is an *AMIT for an income year must pay an amount to the Commissioner if:
 - (b) the trustee makes a payment (the **deemed payment**) that arises because of the operation of section 12A-205; and
 - (c) the payment is made to an entity (the **recipient**) that is:
 - (i) if the payment is a *fund payment and the trust is not a *withholding MIT in relation to the income year—an entity covered by section 12-410; or
 - (ii) if the payment is an *AMIT DIR payment made in relation to the income year—an entity that is not an Australian resident.

Note 1: An entity may be covered by section 12-410 if the entity has an address outside Australia or payment is authorised to be made to a place outside Australia.

Note 2: If the payment is made to a recipient not covered by subparagraph (i) or (ii), the trustee is required to give a notice to the recipient or publish information on a website setting out certain details about the payment under sections 12-395 and 12A-15.

- (2) The amount that the trustee must pay is equal to the amount the trustee would, if the assumptions in subsection (3) were made, have had to withhold under:
 - (a) if the deemed payment is a *fund payment—section 12-410 or
 - (b) if the deemed payment is an *AMIT DIR payment—section 12-210, 12-245 or 12-280.
- (3) The assumptions are that:
 - (a) the deemed payment had *not* arisen because of the operation of section 12A-205; and
 - (b) the deemed payment had instead been an actual payment.

and

- (c) if the deemed payment is an *AMIT DIR payment:
- (i) where it corresponds to the character of a dividend defined in Division 11A of Part III of the *Income Tax Assessment Act 1936*) that is subject to a requirement to withhold under Subdivision 12-F—the trust had been a company, and it had paid it as a dividend; or
 - (ii) where it corresponds to the character of interest (defined in Division 11A of Part III of the *Income Tax Assessment Act 1936*) that is subject to a requirement to withhold under Subdivision 12-F—it were the payment of an interest; or
 - (iii) where it corresponds to the character of a *royalty that is subject to a requirement to withhold under Subdivision 12-F—it were the payment of a royalty; and
- (d) if the deemed payment is an AMIT DIR payment—the condition in either or both of paragraphs 12-210(a) or (b), paragraphs 12-245(a) or (b) or of paragraphs 12-280(a) or (b) (as the case requires) were satisfied.

- (4) The trustee may recover from the recipient as a debt an amount that the trustee has paid to the Commissioner under subsection (3).
- (5) The trustee is entitled to set off an amount that the trustee may recover from the recipient under subsection (4) against debts by the trustee to the recipient.

0 Custodian payment to the Commissioner in respect of deemed payments to offshore entities etc.

- (1) A *custodian must pay an amount to the Commissioner if:
- (a) the trustee of a trust that was an *AMIT for an income year and was a *withholding MIT in relation to the income year made a payment (the **first deemed payment**) that:
 - (i) arose because of the operation of section 12A-205; or
 - (ii) was a *fund payment or an *AMIT DIR payment; and
 - (b) the custodian makes a payment (the **subsequent deemed payment**) that arises because of the operation of section 12A-205; and
 - (c) the first deemed payment gave rise to the subsequent deemed payment, because of one or more operations of section 12A-205; and
 - (d) the subsequent deemed payment or part of it (the **coved part**) was covered by a notice or information under:
 - (i) if the first deemed payment was a fund payment—section 12-395; or
 - (ii) if the first deemed payment was an AMIT DIR payment—section 12A-15; and
 - (e) the subsequent deemed payment is made to an entity (the **recipient**) that is:
 - (i) if the first deemed payment was a fund payment—covered by section 12-410; or
 - (ii) if the first deemed payment was an AMIT DIR payment—not an Australian resident.

Note 1: An entity may be covered by section 12-410 if the entity has an address outside Australia or payment is authorised to be made to a place outside Australia.

Note 2: If the payment is made to a recipient not covered by subparagraph (a)(ii), the trustee is required to give a notice to the recipient on which

or (ii), the trustee is required to give a notice to the recipient or publish information on a website setting out certain details about the payment sections 12-395 and 12A-15.

- (2) The amount that the *custodian must pay is the amount that the custodian would, if the assumptions in subsection (3) were made, have had to withhold under:
- (a) if the first deemed payment was a *fund payment—subsection 12-390(1); or
 - (b) if the first deemed payment was an *AMIT DIR payment—section 12-210, 12-245 or 12-280.
- (3) The assumptions are that:
- (a) the subsequent deemed payment had *not* arisen because of the operation of section 12A-205; and
 - (b) the subsequent deemed payment had instead been an *actual* payment; and
 - (c) if the first deemed payment was an *AMIT DIR payment
 - (i) where the first deemed payment corresponded to the character of a dividend (as defined in Division 11A of Part III of the *Income Tax Assessment Act 1936*) that is subject to a requirement to withhold under Subdivision 12-F—the *custodian had been a company that it had paid the subsequent deemed payment as a dividend or
 - (ii) where the first deemed payment corresponded to the character of interest (as defined in Division 11A of Part III of the *Income Tax Assessment Act 1936*) that is subject to a requirement to withhold under Subdivision 12-F—the subsequent deemed payment were the payment of interest or

n 13—Alienated personal services payments

Table of sections

13-1	Object of this Division
13-5	Payment to the Commissioner in respect of alienated personal services payments
13-10	Alienated personal services payments
13-15	Personal services payment remitters
13-20	Time for payments to Commissioner for alienated personal services payments made during 2000-01

Object of this Division

The object of this Division is to ensure the efficient collection of income tax (and other liabilities) on any *personal services included in an individual's assessable income under Division 8 of the *Income Tax Assessment Act 1997* by:

- (a) putting *personal services entities receiving *alienated personal services payments in a position similar to their position if amounts were withheld from the payments under Division 12; but
- (b) doing so in a way that enables them to comply with the obligations without having to withhold amounts separately from each payment.

Note: Under Division 86 of the *Income Tax Assessment Act 1997* (about alienation of personal services income), an individual's personal services income that is gained or produced by another entity is in some cases included in the individual's assessable income. Payments of this income by the entity might not be caught by Division 12.

Payment to the Commissioner in respect of alienated personal services payments

Obligation to pay amounts

- (1) A *personal services entity must pay an amount of tax to the Commissioner if:
 - (a) it receives an *alienated personal services payment that relates to an individual's personal services income; and
 - (b) it receives the payment during a *PAYG payment period in which it is a *personal services payment remitter.

Working out the amounts

- (2) Use this method statement to work out the amount:

Method statement

Step 1. Identify the payments that the *personal services entity makes to the individual during the period mentioned in paragraph (1)(b) that are *withholding payments covered by section 12-35.

Step 2. Identify the amounts that:

- (a) are included in the individual's assessable income under section 86-15 of the *Income Tax Assessment Act 1997*; and
- (b) relate to *alienated personal services payments the entity receives during that period.

Step 3. Work out the sum of all the amounts that Division 12 would require the entity to withhold in respect of that period if both of these were taken into account:

- (a) the payments identified in step 1; and
- (b) the amounts identified in step 2, as if they were payments of salary covered by section 12-35.

Step 4. Work out the sum of all the amounts withheld under section 12-35 from the payments identified in step 1.

Step 5. Subtract the sum under step 4 from the sum under step 3.

Example: For the PAYG payment period of 1 April 2001 to 30 June 2001, NewIT Pty. Ltd. received amounts totalling \$18,000 that were Ron's personal services income. NewIT does not conduct a personal services business.

During the period, NewIT paid Ron \$3,000 in salary. This is a withholding payment covered by section 12-35 (step 1).

\$15,000 of the amount NewIT received is included in Ron's assessable income under section 86-15 of the *Income Tax Assessment Act 1997* (step 2).

If NewIT had paid the \$15,000 in salary to Ron within 14 days after the end of the PAYG payment period, the amount that NewIT would have had to withhold under Division 12 on the total amount of \$18,000 would have been \$4,000 (step 3).

NewIT withheld \$500 from the salary payment of \$3,000, as required by section 12-35 (step 4).

On the basis of these facts, the amount NewIT must pay to the Commissioner (step 5) is:

$$\$4,000 - \$500 = \$3,500$$

(3) Subject to subsections (4) and (5), the *personal services entity must pay the amount to the Commissioner by the end of the 21st day after the end of the *PAYG payment period.

Note: A different rule applies for alienated personal services payments that large withholders and medium withholders make during the 2000-01 income year. See section 13-20.

(4) If:

- (a) the *personal services entity is a *deferred BAS payer on the 21st day after the end of the *PAYG payment period; and
- (b) the personal services entity's PAYG payment period is a *quarter;

the entity must pay that amount to the Commissioner as shown in the table:

Payments by *deferred BAS payers		
Item	If paragraph (4) (a) applies to the *quarter ending on:	the amount for this quarter must be paid by the end of:
1	30 September	the following 28 October
2	31 December	the following 28 February
3	31 March	the following 28 April
4	30 June	the following 28 July

(5) If:

- (a) the *personal services entity is a *deferred BAS payer on the 21st day after the end of the *PAYG payment period; and
- (b) the personal services entity's PAYG payment period is a month;

the entity must pay that amount to the Commissioner:

- (c) by the end of the 28th day of the month following that period unless the PAYG payment period is a December; or
- (d) by the end of the 28th day of the next February if the PAYG payment period is a December.

Alienated personal services payments

An **alienated personal services payment** is a payment (including a payment in the form of a *non-cash benefit) that a *personal services entity receives and that relates to an amount that:

- (a) is included in an individual's assessable income under Division 86 of the *Income Tax Assessment Act 1997*; or
(b) would be so included but for the fact that the entity received the income in the course of conducting a *personal services business.

For valuation of non-cash benefits, see sections 21 and 21A of the *Income Tax Assessment Act 1997*.

Personal services payment remitters

General

- (1) A *personal services entity is a **personal services payment remitter** for a *PAYG payment period if, in the income year preceding that period:
- the entity's *ordinary income or *statutory income includes a person's *personal services income; and
 - the entity was not conducting a *personal services business.

Businesses not previously receiving personal services income

- (2) A *personal services entity is a **personal services payment remitter** for a *PAYG payment period if:
- the entity's *ordinary income or *statutory income did not include an individual's *personal services income in any income year preceding that period; and
 - it is reasonable to expect that, in the income year during which the period occurs, the entity's income will include a person's *personal services income that the entity will not receive in the course of conducting a *personal services business.
- (3) It is not reasonable to expect that the *personal services entity will receive a person's *personal services income in the course of conducting a *personal services business if it is reasonable to expect that:
- the entity will receive at least 80% of that income from the same entity (or one entity and its *associates); and
 - the entity will not meet the results test under section 8 of the *Income Tax Assessment Act 1997*.

Personal services business determinations taking effect

- (4) However, a *personal services entity is *not* a **personal services payment remitter** for a *PAYG payment period if, during that period or an earlier PAYG payment period in the same income year, a *personal services business determination relating to the entity takes effect.

Time for payments to Commissioner for alienated personal services payments made during 2000-01

- (1) Subject to subsection (2), if:
- a *personal services entity must, under section 13-5, pay the amount for *alienated personal services payments it receives during a particular *PAYG payment period; and
 - the period ends in a *quarter in the *financial year starting on 1 July 2000;

the payment must be paid to the Commissioner by the end of the 21st day after the end of the quarter.

- (2) If:

- (a) the *personal services entity is a *deferred BAS payer on 21st day after the end of the *quarter; and
- (b) the quarter ends on 31st March or 30th June of 2001; the payment must be paid to the Commissioner by the end of the 28th day after the end of that quarter.

n 14—Benefits, gains and taxable supplies for which amounts must be paid to the Commissioner

ision 14-A—Non-cash benefits

bject of this Subdivision

The object of this Subdivision is:

- (a) to put entities that provide *non-cash benefits, and entities that receive them, in a position similar to their position under Division 12 if payments of money had been made instead of non-cash benefits being provided; and
- (b) in that way, to prevent entities from avoiding their obligations under Division 12 by providing non-cash benefits.

rovider of non-cash benefit must pay amount to the Commissioner if payment would be subject to withholding

- (1) An entity (the **payer**) must pay an amount to the Commissioner before providing a *non-cash benefit to another entity (the **recipient**) if Division 12 would require the payer to withhold a particular amount (the **notionally withheld amount**) if, instead of providing the benefit to the recipient, the payer made a payment to the recipient in money equal to the *market value of the benefit when the benefit is provided.
- (2) The amount to be paid to the Commissioner is equal to the notionally withheld amount.

Example: Nick is a building contractor who has entered into a voluntary agreement with Mike for the purposes of section 12-55. Nick proposes to give Mike his old utility van (whose market value is \$1,000) as payment for work Mike has done for him over a fortnight.

If Nick were instead to pay Mike \$1,000, Nick would have had to withhold \$203 under Division 12 (in accordance with withholding rates current at the time).

This section requires Nick to pay \$203 to the Commissioner before giving the van to Mike.

- (3) This section does not apply to providing:

- (a) a *fringe benefit; or
- (b) a benefit that is an exempt benefit under the *Fringe Benefit Tax Assessment Act 1986*; or
- (c) a benefit that would be an exempt benefit under that Act if paragraphs (d) and (e) of the definition of **employer** in subsection 136(1) of that Act were omitted; or
- (d) a benefit constituted by the acquisition of an *ESS intended *under an employee share scheme to which Subdivision 8-A or 83A-C of the *Income Tax Assessment Act 1997* applies.

Dividend, interest or royalty received, for a foreign resident, in the form of a non-cash benefit

If:

- (a) an entity (the **payer**) receives in the form of a *non-cash benefit:
 - (i) a *dividend of a company; or
 - (ii) interest (within the meaning of Division 11A of Part 1 of the *Income Tax Assessment Act 1936*); or
 - (iii) a *royalty; and
- (b) section 12-215, 12-250 or 12-285 would have required the payer to withhold an amount if the dividend, interest or royalty had been a payment in money;

the payer must pay that amount to the Commissioner before providing the benefit (or part of it) to another entity.

Payer can recover amount paid to the Commissioner

- (1) The payer may recover from the recipient as a debt an amount that the payer has paid to the Commissioner under section 14-10.
- (2) If the payer has paid an amount to the Commissioner under section 14-10, the payer may:
 - (a) if the payer has provided all of the benefit to another entity—recover the amount from that other entity as a debt; or
 - (b) if the payer has provided a part of the benefit to another entity—recover from that other entity as a debt the corresponding proportion of the amount paid to the Commissioner.
- (3) If the payer can recover an amount from another entity under this section, the payer is entitled to set the amount off against debts due by the payer to the other entity.

Division 14-B—Accruing gains

Object of this Subdivision

The object of this Subdivision is to put the parties to a *Part VA investment with an accruing gain in a position similar to what would have been their position under Subdivision 12-E (Payments where TFN or ABN not quoted) if the *investment body had paid the gain in money to the *investor at the end of the income year.

Liability for TFN withholding tax

- (1) *TFN withholding tax is payable if:
 - (a) in relation to a *Part VA investment, an amount (the **accrued gain**) is included in the *investor's assessable income for an income year under section 159GQ of the *Income Tax Assessment Act 1936* (about gains accruing on securities)
 - (b) the investment.

- (i) is of a kind mentioned in item 1 or 2 of the table in subsection 202D(1) of that Act; or
- (ii) is of a kind mentioned in item 3 of that table and is non-transferable; and
- (c) the term of the investment does not end during the income year; and
- (d) section 12-140 would have required the *investment body to withhold an amount (the **TFN withholding amount**) from payment of the accrued gain to the investor, if the investment body had made the payment at the end of the income year section 12-150 had not been enacted.

Note: Section 202D of the *Income Tax Assessment Act 1936* lists the investments in connection with which tax file numbers are to be quoted.

- (2) The amount of *TFN withholding tax is equal to the TFN withholding amount.
- (3) The *TFN withholding tax is payable jointly and severally by *investor and the *investment body.
- (4) However, if the *investment body is the Commonwealth or a *untaxable Commonwealth entity:
 - (a) the *TFN withholding tax is payable by the *investor; and
 - (b) the investor is taken to have authorised the investment body to pay the TFN withholding tax on the investor's behalf.
- (5) The *TFN withholding tax is due and payable at the end of 2 days after the end of the income year referred to in paragraph (a).

Note 1: When it is due and payable, the TFN withholding tax is payable to the Commissioner: see paragraph 255-5(1)(b).

Note 2: An entity by whom it is payable must pay it to the Commissioner in accordance with Subdivision 16-B: see subsection 16-70(3). If any of the amounts remains unpaid, the entity is liable to pay general interest charge: see section 16-80.

Note 3: The Commissioner may defer the time at which TFN withholding tax becomes due and payable: see section 255-10.

- (6) The adoption (under section 18 of the *Income Tax Assessment Act 1936*) of an accounting period ending on a day other than 30 June is disregarded for the purposes of:
 - (a) this section; and
 - (b) the application of Division 16E of Part III of that Act for the purposes of this section.

Investment body may recover TFN withholding tax from investor

- (1) The *investment body may recover from the *investor as a debt any of the *TFN withholding tax that it pays.
- (2) The *investment body is entitled to set off an amount that it can recover from the *investor under this section against:
 - (a) a debt due by it to the investor; or
 - (b) an amount that is accruing to the investor, or stands to the investor's credit, in respect of the *Part VA investment, even though the amount is not yet due.

Application of rules in Division 18

These provisions:

- (a) subsection 18-15(1) and sections 18-20 and 18-25 (about credits for amounts withheld from withholding payments);

- (b) section 18-80 (about refunds when exemption declarat not given);

apply as if any of the *TFN withholding tax that has been paid an amount withheld under subsection 12-140(1) from a

*withholding payment covered by that subsection and made to *investor during:

- (c) unless the *investor has adopted (under section 18 of the *Income Tax Assessment Act 1936*) an accounting period ending on a day other than 30 June—the income year referred to in paragraph 14-55(1)(a); or

- (d) if the investor has adopted such an accounting period—income year in which the TFN withholding tax is paid.

Note: Unless the investor has adopted such an accounting period, the credits under section 18-15, 18-20 or 18-25 will be in respect of the income year before the one in which the TFN withholding tax is paid.

Overpayment of TFN withholding tax

If *TFN withholding tax has been overpaid:

- (a) the Commissioner must refund the amount overpaid; and
- (b) the *investor is not entitled to a credit under section 18-20 or 18-25 in respect of the amount overpaid.

Other laws do not exempt from TFN withholding tax

(1) A provision of a law passed before the commencement of this section that purports to exempt an entity from liability to pay TFN withholding tax, or to pay taxes that include TFN withholding tax, does not exempt that entity from liability to pay TFN withholding tax.

(2) A provision of a law passed at or after the commencement of this section that purports to exempt an entity from liability to pay taxes under the laws of the Commonwealth, or to pay certain taxes under those laws that include *TFN withholding tax, is not to be interpreted as exempting the entity from liability to pay TFN withholding tax, unless it specifically mentions TFN withholding tax.

- (2) If the employer does so, the individual is taken, for the purpose of this Subdivision and Division 392 (Employee share scheme reporting), to have quoted his or her *tax file number to the provider.

- (1) The provider may recover from the individual as a debt any *TFN withholding tax (ESS) the provider pays.

- 15-A Working out how much to withhold

to Division 15

What this Division is about

This Division is mainly about how to work out how much an entity must withhold under Division 12.

In most cases, the entity will need to use either the Commissioner's withholding schedules or the regulations.

The entity will also need to take into account a TFN declaration or declaration under section 15-50 if it has been given because under the schedules and regulations, the declaration may affect how to calculate the amount to withhold.

This Division also deals with when an individual can make such a declaration (other than a TFN declaration) so as to change the amount that must be withheld from payments to the individual.

ision 15-A—Working out how much to withhold

Table of sections

- 15-10 How much to withhold
- 15-15 Variation of amounts required to be withheld

How much to withhold

- (1) The amount that Subdivision 12-B, 12-C or 12-D requires to be withheld from a payment is to be worked out under the withholding schedules made under section 15-25. However, if the regulations prescribe how the amount is to be worked out, then it is to be worked out under the regulations.

Note 1: A TFN declaration, declaration under section 15-50 or voluntary agreement may affect how much is required to be withheld under the withholding schedules or regulations.

Note 2: The Commissioner may vary an amount required to be withheld. See section 15-15.

- (2) The amount that Subdivision 12-E, 12-F, 12-FA, 12-FAA, 12-FC, 12-FC, 12-G (except one covered by section 12-325) or 12-J requires to be withheld from a payment is to be worked out under the regulations.

Note 1: The amount that section 12-325 requires to be withheld is worked out under that section.

Note 2: The Commissioner may vary an amount required to be withheld. See section 15-15.

- (3) The amount that Subdivision 12-H requires to be withheld from a payment or receipt is worked out under subsection 12-385(2),

Variation of amounts required to be withheld

If the Commissioner does so, the amount is varied accordingly.

Note 1: Section 12-140 is about a payment arising from an investment where the recipient does not quote its tax file number (or, in some cases, its AFN).

Note 2: Sections 12-175 and 12-180 are about a payment of the income of closely held trust to a beneficiary, where the beneficiary does not quote the beneficiary's tax file number.

Note 3: Section 12-145 is about an investor becoming presently entitled to income of a unit trust.

Note 3A: Subdivision 12-FC is about the Seasonal Labour Mobility Program.

Note 4: Subdivision 12-H is about distributions of withholding MIT income

(3) The Commissioner must not give the notice on a day if, on that day:

- (a) the individual; or
- (b) in a case to which section 18-135 applies—the director mentioned in that section.

- (7) The amount of the *PAYG withholding non-compliance tax the individual must pay is treated as always having been that amount as reduced under subsection (6).

When PAYG withholding non-compliance tax must be paid

(1) The *PAYG withholding non-compliance tax an individual must pay for an income year is due and payable at the earliest time of the income tax the individual must pay for the *financial year in which the income year relates is due and payable.

If an amount of *PAYG withholding non-compliance tax that individual must pay to the Commissioner remains unpaid after time by which it is due to be paid, the individual is liable to pay *general interest charge on the unpaid amount of tax for each in the period that:

- (a) started at the beginning of the day by which the unpaid amount of tax was due to be paid; and
- (b) finishes at the end of the last day, at the end of which, of the following remains unpaid:

 - (a) the individual was a director (within the meaning of the *Corporations Act 2001*) of the company on the day (the **payment day**) on or by which the company was required to pay the amount mentioned in subsection (1) to the Commissioner; or
 - (b) both of the following subparagraphs apply:
 - (i) the individual became a director of the company after the payment day;
 - (ii) the individual was still a director of the company 30 days after becoming a director.

(4) However, subsection (3) does not apply to an individual to the extent that the amount of the *PAYG withholding non-compliance tax the individual must pay in relation to the company for the income year as mentioned in section 18-125 is reduced under section 18-130.

to Division 45

What this Division is about

If you have business or investment income, you must pay instalments towards your income tax liability. However, you do not have to do so unless the Commissioner has given you an instalment rate. Generally, instalments are payable for each quarter of your income year. Alternatively, instalments could be payable monthly or annually.

Your instalments may be based on your previous year's income tax liability and notified to you by the Commissioner, or on your estimate of your income tax liability for the current income year. (In this case, you are a quarterly payer who pays on the basis of GDP adjusted notional tax). Generally, four quarterly instalments are payable annually on this basis, but you may only be required to pay two.

If you are not eligible to pay instalments on that basis, or if you are so eligible but choose not to do so, you must work out the amount of your quarterly instalment by multiplying your instalment income for an instalment quarter by the rate the Commissioner gave you, or by a rate you choose yourself. (In this case, you are a quarterly payer who pays on the basis of instalment income).

If your business or investment income exceeds a certain limit, you may have to pay an instalment after the end of each month. (In this case, you are a monthly payer).

If you are not required to be registered for GST purposes, you may be able to choose to pay an annual instalment after the end of the income year. (In this case, you are an annual payer).

The amount of annual instalment can be your instalment income for the income year multiplied by the rate the Commissioner gave you, or an amount based on your previous year's income tax liability and notified to you by the Commissioner, or your own estimate of your income tax liability for the income year.

Table of sections

Item	Object of this Part
45-10	Application of Part
45-15	Liability for instalments
45-20	Information to be given to the Commissioner by certain payers
45-25	Penalty for failure to notify Commissioner
45-30	Credit for instalments payable

Object of this Part

- (1) The object of this Part is to ensure the efficient collection of
- (a) income tax; and
 - (b) *Medicare levy; and
 - (ca) amounts of liabilities to the Commonwealth under Chapter 4 of the *Higher Education Support Act 2003*; and
 - (caa) amounts of liabilities to the Commonwealth under Part of the *VET Student Loans Act 2016*; and
 - (cb) amounts of liabilities to the Commonwealth under Chapter 2AA of the *Social Security Act 1991*; and
 - (cc) amounts of liabilities to the Commonwealth under Part of the *Student Assistance Act 1973*; and
 - (cd) amounts of liabilities to the Commonwealth under Chapter of the *Trade Support Loans Act 2014*; and
 - (d) amounts of liabilities to the Commonwealth under Part of the *Social Security Act 1991*; and
 - (e) amounts of liabilities to the Commonwealth under Division of Part 4A of the *Student Assistance Act 1973*;
- through the application of the principles set out in the rest of this section.

- (2) As you earn *instalment income, you pay instalments after the end of each *instalment quarter worked out on the basis of your instalment income for that quarter if you are required or choose to work out your instalment on this basis. However, you may be able to pay an amount notified by the Commissioner. (There are exceptions to this).

(2A) Alternatively:

- (a) you may be required to pay instalments after the end of each *instalment month worked out on the basis of your instalment income for that month; or
- (b) you may be able to choose to pay an annual instalment for the income year.

- (3) The total of your instalments for an income year is as close as possible to the total of your liabilities for the income year that are covered by subsection (1), except so far as the amounts of those liabilities are attributable to a *net capital gain. (The exception does not apply to the entities listed in subsections 45-120(2) and (2B) relating to the net capital gains specified in subsection 45-120(2B).)

- (4) Consequently, the additional amounts you have to pay to discharge those liabilities, after an assessment of your income for the income year is made, are as low as possible.

- (5) If you are a *quarterly payer who pays on the basis of instalment income, the amount of each of your instalments for an income year is the same proportion (as nearly as possible, subject to the principles in subsections (3) and (4)) of the total of those instalments as your *instalment income for that *instalment quarter is of your total instalment income for the income year.

(3A) If you are a monthly payer, the amount of each of your instalments for an income year is the same proportion (as nearly as possible, subject to the principles in subsections (3) and (4)) of the total of those instalments as your *instalment income for that *instalment month is of your total instalment income for the income year.

- (6) When instalments are payable, and how their amount is calculated, are the same for different kinds of entities, except as expressly provided.

Note: Subdivision 45-P penalises an entity whose tax position, so far as it relates to PAYG instalments and related matters, is altered by a scheme that is inconsistent with the object of this Part.

Application of Part

This Part applies to individuals, companies, and the entities in items 4 to 10, and 12 and 13, of the table in section 9-1 of the *Income Tax Assessment Act 1997* (which lists the entities that pay income tax).

Note 1: Section 45-450 provides for how this Part applies to a trustee covered by any of items 4 to 8, and 12 and 13, of the table in section 9-1 of the *Income Tax Assessment Act 1997*. In most respects, the trust is treated like a company.

Note 2: This Part also applies to a trustee covered by item 11 of the table in section 9-1 of the *Income Tax Assessment Act 1997*, but only to the extent set out in section 45-455, and the rest of Subdivision 45-N, in this Schedule.

Liability for instalments

- (1) The Commissioner may give you an instalment rate from time to time, by giving you written notice of the rate.

- (2) You are liable to pay instalments under this Division if the Commissioner has given you an instalment rate.

Note 1: The instalment rate that the Commissioner gives you is worked out under section 45-320 or 45-775.

Note 2: If your assessable income has always consisted wholly of withhold payments (other than non-quotation withholding payments), the Commissioner will not give you an instalment rate.

Note 3: Work out the amount of your instalments under Subdivision 45-C.

Note 4: If the Commissioner withdraws the rate under section 45-90, you are liable to pay further instalments.

Note 5: For provisions about collection and recovery of amounts you are liable to pay under this Part, see Part 4-15.

Information to be given to the Commissioner by certain payers

- (1) If you are liable to pay an instalment for a period (even if it is a nil amount), you must notify the Commissioner of the amount of your *instalment income for the period.

- (2) You must notify the Commissioner in the *approved form at least 10 days before the day when the instalment is due (regardless of whether it is paid).

- (2A) If you are a *monthly payer for the period, you must give the notification electronically, unless the Commissioner otherwise approves.

Note: A penalty applies if you fail to give the notification electronically as required—see section 288-10.

- (2B) The notification is given electronically if it is transmitted to the Commissioner in an electronic format approved by the Commissioner.

Exceptions

- (3) Subsection (1) does not apply to:
- (a) a quarterly instalment worked out under section 45-111 based on the basis of GDP-adjusted notional tax or estimated benchmark tax; or
 - (b) an annual instalment, unless it is worked out under paragraph 45-115(1)(a) (based on the Commissioner's rate of your instalment income for the income year).

Penalty for failure to notify Commissioner

- (1) If you fail to notify the Commissioner of an amount as required by section 45-20, or you notify an amount that is less than the correct amount, you are liable to pay the *failure to notify penalty on the amount, or on the shortfall, multiplied by the instalment that you are required to use to work out the instalment for the period, for each day in the period that:
- (a) started at the beginning of the day by which the amount due to be paid; and
 - (b) finishes at the end of the day before you notify the Commissioner of the correct amount, or he or she otherwise becomes aware of it.

- (2) This section does not apply to a notification required to be given on or after 1 July 2000.

Note: See instead Division 286 in Schedule 1 to the *Taxation Administration Act 1953*.

Credit for instalments payable

- (1) You are entitled to a credit when the Commissioner makes an assessment of the income tax you are liable to pay for an income year or an assessment that no income tax is payable by you for an income year.

- (2) The credit is equal to:

- the total of each instalment payable by you for the income year (even if you have not yet paid it);
- reduced by:
- the total of each credit that you have claimed under section 45-215 or 45-420 in respect of such an instalment.

- (3) The making of the assessment, and the resulting credit entitlement, do not affect the liability to pay an instalment.

Note: How the credit is applied is set out in Division 3 of Part IIB.

- (4) If:

- (a) you are a *subsidiary member of a *consolidated group at any time during a *consolidation transitional year for you;
- (b) an amount of instalment payable by you, or an amount of credit claimed by you under section 45-215 or 45-420, is taken into account in working out a credit to which the *head company of that consolidated group is entitled under section 45-865 for a consolidation transitional year for the

head company;

that amount, to the extent to which it is so taken into account under that section, is not to be taken into account in working out any credit to which you are entitled under this section for any

Division 45-C—Working out instalment amounts

Table of sections

- 45-110 How to work out amount of quarterly instalment on instalment income
- 45-112 Amount of instalment for quarterly payer who pays on basis of GDP-adjusted notional tax
- 45-114 How to work out amount of monthly instalment
- 45-115 How to work out amount of annual instalment
- 45-120 Meaning of *instalment income*

How to work out amount of quarterly instalment on instalment income basis

- (1) Work out the amount of an instalment you are liable to pay in a *instalment quarter as follows if, at the end of that instalment quarter, you are a *quarterly payer who pays on the basis of instalment income:

$$\text{Applicable instalment rate} \times \text{Your } *\text{instalment income for that quarter}$$

- (2) For the purposes of the formula in subsection (1):

Applicable instalment rate means:

- (a) unless paragraph (b) or (c) applies—the most recent instalment rate given to you by the Commissioner under section 45-15 before the end of that quarter; or
- (b) if you have chosen an instalment rate for that quarter under section 45-205—that rate; or
- (c) if you have chosen an instalment rate under section 45-205 for an earlier *instalment quarter in that income year (and paragraph (b) does not apply)—that rate.

Note: If you believe the Commissioner's rate is not appropriate for the current income year, you may choose a different instalment rate under Subdivision 45-F.

Amount of instalment for quarterly payer who pays on basis of GDP-adjusted notional tax

- (1) If, at the end of an *instalment quarter in an income year, you are a *quarterly payer who pays on the basis of GDP-adjusted notional tax who is liable to pay an instalment for that quarter, the amount of your instalment for that quarter is:

- (a) unless paragraph (b) or (c) applies—the amount that the Commissioner works out under Subdivision 45-L, and notify to you, as the amount of the instalment; or
- (b) if you choose to work out the amount of the instalment on the basis of your estimate of your *benchmark tax for that income year, and you notify the Commissioner in accordance with subsection (2)—the amount worked out under Subdivision 45-M; or
- (c) if paragraph (b) applied to your instalment for an earlier *instalment quarter in that income year—the amount that the Commissioner works out under Subdivision 45-M, and notify to you, as the amount of the instalment.

- (2) If the amount of the instalment is worked out under

paragraph (1)(b) on the basis of your estimate of your *benchmark tax for the income year, you must notify the Commissioner in the *approved form, on or before the day when the instalment is due (disregarding subsection (3)), of the amount of that estimate.

(3) If:

- (a) *after* the end of an *instalment quarter the Commissioner notifies you of an amount as the amount of your instalment for that quarter; and
- (b) the amount of your instalment for that quarter is *not* worked out under paragraph (1)(b);

the instalment is due on or before the 21st day after the day on which the notice is given.

How to work out amount of monthly instalment

(1) Work out the amount of an instalment you are liable to pay for the *instalment month as follows if, at the end of that instalment month you are a *monthly payer:

$$\text{Applicable instalment rate} \times \frac{\text{Your } *\text{instalment income}}{\text{for that instalment month}}$$

(2) For the purposes of the formula in subsection (1):

applicable instalment rate means:

- (a) unless paragraph (b) or (c) applies—the most recent instalment rate given to you by the Commissioner under section 45-15 before the end of that month; or
- (b) if you have chosen an instalment rate for that month under section 45-205—that rate; or
- (c) if you have chosen an instalment rate under section 45-205 for an earlier *instalment month in that income year (and paragraph (b) does not apply)—that rate.

Note: If you believe the Commissioner's rate is not appropriate for the class of entity that you are, you may choose a different instalment rate under Subdivision 45-F.

(3) The Commissioner may, by legislative instrument, determine one or more specified additional methods by which a specified class of entity that is a *monthly payer at the end of an *instalment month may work out, in specified circumstances, the amount of an instalment that it is liable to pay for the instalment month.

Note: For specification by class, see subsection 13(3) of the *Legislation Act 2003*.

(4) You may choose a method specified in the determination:

- (a) unless paragraph (b) applies—for any *instalment month;
- (b) if the determination provides that that method can be chosen only for the first instalment month in an *instalment quarter—for the first instalment month in an instalment quarter.

(5) The determination may provide that an entity that chooses a method in accordance with paragraph (4)(b) for the first *instalment month in an *instalment quarter is taken to have chosen that method under subsection (4) for the other instalment months in that quarter. The determination has effect accordingly.

(6) Subsection (7) applies if:

- (a) the Commissioner has made a determination under subsection (3); and

- (b) at the end of an *instalment month, you are a *monthly payer; and
 - (c) you choose under subsection (4), for that month:
 - (i) if the determination specifies one additional method to work out that amount—that method; or
 - (ii) if the determination specifies more than one additional method to work out that amount—one of those methods.
- (7) Despite subsection (1), work out the amount of an instalment you are liable to pay for that *instalment month in accordance with the method that you chose for that month under subsection (4).

How to work out amount of annual instalment

- (1) The amount of an instalment you are liable to pay for the 20 income year or a later income year is whichever of the following you choose:
- (a) the amount worked out using the formula:
- $$\text{*Commissioner's instalment rate} \times \text{Your *instalment income for the income year}$$
- (b) your most recent *notional tax notified by the Commissioner before the end of the income year;
 - (c) the amount that you estimate will be your *benchmark tax for the income year.

Note 1: You cannot choose a different instalment rate under Subdivision 4 if you are an annual payer. Instead you can work out the amount of your instalment under paragraph (c).

Note 2: You may be liable to general interest charge under section 45-235 if working out your instalment under paragraph (c) leads you to pay an instalment that is less than 85% of your benchmark tax for the income year (worked out by the Commissioner under section 45-365).

- (2) **Commissioner's instalment rate** for an income year means the most recent instalment rate given to you by the Commissioner before the end of the income year.
- (3) If you choose to work out your instalment under paragraph (1) you must notify the Commissioner, in the *approved form, of the amount of the instalment on or before the day when it is due.

Meaning of *instalment income*

General rule

- (1) Your ***instalment income*** for a period includes your *ordinary income *derived during that period, but only to the extent that it is assessable income of the income year that is or includes that period.

Note 1: No other amount is instalment income unless it is covered by another provision of this section or by Subdivision 45-H or 45-I.

Note 1A: The operation of this section and other provisions relating to instalment income is affected by sections 45-855 and 45-860 (about a member of a consolidated group during a period before the members of the group are treated as a single entity for the purposes of this Part.)

Note 2: If during that period you are a partner in a partnership, or a beneficiary of a trust, your instalment income also includes some of the partnership or trust's instalment income for the period (except in some cases). See Subdivision 45-H or 45-I.

Statutory income included for some entities

(2) The ***instalment income*** of:

- (a) a *complying approved deposit fund or a *non-complying approved deposit fund; or
- (b) a *complying superannuation fund or a *non-complying superannuation fund; or
- (c) a *pooled superannuation trust;

for a period also includes the entity's *statutory income, to the extent that:

- (d) it is reasonably attributable to that period; and
- (e) it is assessable income of the income year that is or includes that period.

(2A) The instalment income of a *life insurance company for a period also includes any part of its *statutory income that:

- (a) is reasonably attributable to that period; and
- (b) is included in the *complying superannuation class of its taxable income for the income year that is or includes that period.

Net gains under Subdivision 250-E of the Income Tax Assessment Act 1997 included in instalment income

(2B) Your instalment income for a period also includes the difference between:

- (a) a gain (or gains) you make from a *financial arrangement to the extent to which it is (or they are):
 - (i) assessable under Subdivision 250-E of the *Income Tax Assessment Act 1997*; and
 - (ii) reasonably attributable to that period; and
- (b) a loss (or losses) you make from a financial arrangement to the extent to which it is (or they are):
 - (i) allowable to you as a deduction under Subdivision 250-E of the *Income Tax Assessment Act 1997*; and
 - (ii) reasonably attributable to that period.

This is so only if the gain (or gains) referred to in paragraph (a) equals or exceeds the loss (or losses) referred to in paragraph (b).

Effect of Division 230 of the Income Tax Assessment Act 1997 on instalment income

(2C) Your instalment income for a period also includes the difference between:

- (a) a gain (or gains) you make from a *financial arrangement to the extent to which it is (or they are):
 - (i) assessable under Division 230 of the *Income Tax Assessment Act 1997*; and
 - (ii) reasonably attributable to that period; and
- (b) a loss (or losses) you make from a financial arrangement to the extent to which it is (or they are):
 - (i) allowable to you as a deduction under Division 230 of the *Income Tax Assessment Act 1997*; and
 - (ii) reasonably attributable to that period.

This is so only if the gain (or gains) referred to in paragraph (a) equals or exceeds the loss (or losses) referred to in paragraph (b).

(2D) However, your instalment income for a period is worked out disregarding subsection (2C) if any of the following apply:

- (a) you are an individual;

- (b) the only gains and losses that would be taken into account under subsection (2C) for the period are from *financial arrangements that are *qualifying securities.
- (2E) A gain or loss that is taken into account under subsection (2D) working out an amount (including a nil amount) to be included in your instalment income for a period is not to be, to any extent, taken into account again under another provision of this section calculating your instalment income for the same or any other period.

Exclusion: amounts in respect of withholding payments

- (3) Your **instalment income** for a period does not include amounts in respect of:
 - (a) *withholding payments (except *non-quotation withholding payments) made to you during that period; and
 - (b) amounts included in your assessable income under section 86-15 of the *Income Tax Assessment Act 1997* for which there are amounts required to be paid under Division 13; and
 - (c) which a penalty is applicable under section 12-415.

Farm management deposits: effect of making and repayment

- (4) Your **instalment income** for a period is reduced (but not below nil) by a *farm management deposit made during that period, only to the extent that, at the end of that period, you can reasonably expect to be able to deduct the deposit under section 393-5 of the *Income Tax Assessment Act 1997* for the income year that is or includes that period.
- (5) Your **instalment income** for a period also includes an amount that section 393-10 of the *Income Tax Assessment Act 1997* includes in your assessable income, for the income year that is or includes that period, because of a repayment during that period all or some of a *farm management deposit.

Gross proceeds on disposal of registered emissions units included in instalment income

- (5A) Your **instalment income** for a period also includes an amount that section 420-25 of the *Income Tax Assessment Act 1997* includes in your assessable income, for the income year that is or includes that period, because you cease to *hold a *registered emissions unit during that period.

Instalment income of entity that is not liable for instalments

- (6) An entity can have *instalment income for a period even if the entity is not liable to pay an instalment for that period.

Note: For example, although a partnership does not pay instalments, it is necessary to work out the partnership's instalment income in order to work out instalments payable by the partners. See Subdivision 45-H.

Table of sections

45-125	Quarterly payer who pays instalments on the basis of instalment income

- (a) at the end of the *starting instalment quarter in an income year, you are not a *quarterly payer who pays on the basis of GDP-adjusted notional tax and you are not a *monthly payer or an *annual payer; or
- (b) but for this section, you would be a quarterly payer who pays on the basis of GDP-adjusted notional tax at the end of the starting instalment quarter in an income year but you choose to pay quarterly instalments on the basis of your instalment income.

Note: The entity must make the choice mentioned in paragraph (b) in accordance with subsection (4).

(2) The ***starting instalment quarter*** in an income year (the ***current year***) is:

Subdivision 45-F—Varying the instalment rate for quarterly or monthly payers who pay on the basis of instalment income

Table of sections

45-200 Application

45-205 Choosing a varied instalment rate

45-210 Notifying Commissioner of varied instalment rate

45-215 Credit on using varied rate in certain cases

Application

(1) This Subdivision applies if you are a *quarterly payer who pay on the basis of instalment income at the end of an *instalment quarter.

(2) If you are a *monthly payer, this Subdivision has effect in relation to you in respect of an *instalment month in the same way in which it has effect in relation to a *quarterly payer in respect of an *instalment quarter.

Choosing a varied instalment rate

(1) You may choose an instalment rate for working out under section 45-110 the amount of your instalment for an *instalment quarter in an income year.

(2) If you do so, you must use that instalment rate to work out the amount of that instalment. (You cannot later choose another instalment rate for working out that amount.)

Note 1: If choosing a rate leads you to pay an instalment that is too low, you will be liable to general interest charge under section 45-230.

Note 2: If you choose a rate under this section, you must use it even if the Commissioner later gives you a new instalment rate.

(3) You must also use that instalment rate to work out the amount of the instalment that you are liable to pay for each later *instalment quarter in that income year, unless you choose another instalment rate under subsection (1) for working out that amount.

Note 1: If you choose a rate under this section, you must use it even if the Commissioner later gives you a new instalment rate.

Note 2: If a rate you have chosen for an instalment quarter is not appropriate for a later instalment quarter in the same income year, you should choose another rate under subsection (1) for the later quarter. If the earlier rate is too low, you may be liable to general interest charge under section 45-114.

(4) However, for working out under section 45-110 the amount of your instalment for an *instalment quarter in a later income year, you must use the most recent instalment rate given to you by the Commissioner before the end of that quarter, unless you again choose another instalment rate under subsection (1).

(5) Subsection (6) applies if you are a monthly payer.

(6) Treat the references in subsections (1) and (4) to section 45-110 as instead being references to section 45-114.

Notifying Commissioner of varied instalment rate

If you work out the amount of an instalment using an instalment rate you have chosen under section 45-205, you must specify that rate in the notice about your instalment income that you must give to the Commissioner under section 45-20.

Credit on using varied rate in certain cases

(1) You are entitled to claim a credit if:

- (a) the amount of your instalment for an *instalment quarter (**the *current quarter***) in an income year is to be worked out using an instalment rate you chose under section 45-205;
- (b) that rate is lower than the instalment rate you used to work out the amount of your instalment for the previous instalment quarter (if any) in the same income year; and
- (c) the amount worked out using the method statement is greater than nil.

Method statement

Step 1. Add up the instalments you are liable to pay for the earlier *instalment quarters in the income year (even if you have not yet paid all of them).

Step 2. Subtract from the step 1 amount each earlier credit you have claimed under this section or section 45-420 in respect of the income year.

Step 3. Multiply the total of your *instalment income for those earlier *instalment quarters by the instalment rate to be used for the current quarter.

Step 4. Subtract the step 3 amount from the step 2 amount.

Step 5. If the result is a positive amount, it is the amount of credit you can claim.

(2) A claim for a credit must be made in the *approved form on or before the day on which the instalment for the current quarter is due.

Note: How the credit is applied is set out in Division 3 of Part IIB.

(3) The credit entitlement does not affect your liability to pay any instalment.

where:

rate discrepancy means the difference between the varied rate and the lesser of:

- (a) the most recent instalment rate given to you by the Commissioner before the end of the variation quarter; and

 - (b) the estimate used is less than 85% of your *benchmark tax for the income year (which the Commissioner works out under section 45-365).

where:

- (3) If you are a *quarterly payer who pays 4 instalments annually on the basis of GDP-adjusted notional tax, the **acceptable amount** of your instalment for that instalment quarter is:
 - (a) if the amount of the instalment is worked out under paragraph 45-112(1)(b) or (c)—the amount worked out under

$$*\text{Acceptable amount of your instalment for the later quarter} - \text{Actual amount of your instalment for the later quarter}$$

That amount (expressed as a positive number) is called the **top up amount**.

(2) For the purposes of the formula in subsection (1):

actual amount of your instalment for the later quarter means

- (a) the amount of your instalment for the later quarter, as worked out under section 45-112; or

(4) However, if some of the top up has already been applied (under any other application or applications of this section) to reduce

amount on which you are liable to pay the *general interest charge under subsection 45-232(2) as it applies to a different *instalment quarter, the shortfall is reduced by applying so much of the total as has not already been applied, and does not exceed the shortfall.

Period for which reduction has effect

- (5) The reduction has effect for each day in the period that:
 - (a) started at the beginning of the day by which the instalment for the later quarter was due to be paid; and
 - (b) finishes at the end of the day on which your assessed tax for the income year is due to be paid.

 - (a) you choose to estimate the amount of your instalment (**estimated instalment amount**) for an income year under paragraph 45-115(1)(c) or former paragraph 45-175(1)(b); and
 - (b) that amount is less than 85% of your *benchmark tax for the income year (which the Commissioner works out under section 45-365).
- (2) If you estimated the amount of the instalment under former paragraph 45-175(1)(b), you are liable to pay the *general interest charge on the difference between the estimated instalment amount and the lower of the following amounts:
 - (a) your most recent *notional tax notified by the Commissioner at least 30 days before the day on which the instalment was due;
 - (b) your *benchmark tax for the income year.
- (3) If you estimated the amount of the instalment under paragraph 45-115(1)(c), you are liable to pay the *general interest charge on the difference between the estimated instalment amount and the lowest of the following amounts:
 - (a) the amount of your instalment worked out using the most recent instalment rate given to you by the Commissioner before the end of the income year;
 - (b) your most recent *notional tax notified by the Commissioner before the end of the income year under subsection 45-32(1); and
 - (c) your *benchmark tax for the income year.
- (4) You are liable to pay the charge for each day in the period that:
 - (a) started at the beginning of the day by which the instalment for the income year was due to be paid; and
 - (b) finishes at the end of the day on which your assessed tax for the income year is due to be paid.
- (5) The Commissioner must give you written notice of the *general interest charge to which you are liable under subsection (2) or (3). You must pay the charge within 14 days after the notice is given to you.
- (6) If any of the *general interest charge to which you are liable under subsection (2) or (3) remains unpaid at the end of the 14 days referred to in subsection (5), you are also liable to pay the *general interest charge on the unpaid amount for each day in the period that:
 - (a) starts at the end of those 14 days; and
 - (b) finishes at the end of the last day on which the charge is due.

(b) ~~finishes at the end of the last day on which, at the end of~~
day, any of the following remains unpaid:

- (i) the unpaid amount;
- (ii) general interest charge on the unpaid amount.

Commissioner may remit general interest charge

The Commissioner may, if he or she is satisfied that because special circumstances exist it would be fair and reasonable to do so, remit the whole or any part of any *general interest charge payable under subsection 45-230(2) or 45-232(2) or subsection 45-235(2) or (3).

Division 45-H—Partnership income

Instalment income for a period in which you are in a partnership

- (1) Your **instalment income** for a period (the **current period**) includes an amount for each partnership in which you are a partner at any time during the current period. The amount is worked out using the formula:

$$\frac{\text{Your assessable income from the partnership for the last income year}}{\text{Partnership's *instalment income for that income year}} \times \frac{\text{Partnership's *instalment income for the current period}}{\text{Partnership's *instalment income for the current period}}$$

- (2) For the purposes of the formula in subsection (1):

your assessable income from the partnership for the last income year means so much of your individual interest in the partnership's net income for an income year as was included by section 92 of the *Income Tax Assessment Act 1936* in your assessable income for the most recent income year:

- (a) that ended before the start of the current period; and
 - (b) for which you have an assessment, or for which the Commissioner has notified you that you do not have a taxable income.
- (3) However, if for any reason the component defined in subsection (2) does not exist or is a nil amount, or the partner had no *instalment income for that income year, your **instalment income** for the current period includes, for that partnership, an amount that is fair and reasonable having regard to:
- (a) the extent of your interest in the partnership during the current period; and
 - (b) the partnership's *instalment income for the current period; and
 - (c) any other relevant circumstances.

Exception for corporate limited partnerships

- (4) Your **instalment income** for the current period does not include an amount for a partnership that is a *corporate limited partnership for the income year that is or includes that period.

Note: Your instalment income will still include a distribution by the partnership that is ordinary income. See section 45-120.

Division 45-I—Trust income included in instalment income of beneficiary

Table of sections

Instalment income for a period in which you are a beneficiary of a trust

(1) Your **instalment income** for a period (the **current period**) includes an amount for each trust of which you are a beneficiary at any time during the current period. The amount is worked out using the formula:

$$\frac{\text{Your assessable income from the trust for the last income year}}{\text{Trust's instalment income for that income year}} \times \text{Trust's instalment income for the current period}$$

(2) For the purposes of the formula in subsection (1):

your assessable income from the trust for the last income year means so much of a share of the trust's net income for an income year as:

- (a) Division 6 of Part III of the *Income Tax Assessment Act* included in your assessable income for the most recent income year:
 - (i) that ended before the start of the current period;
 - (ii) for which you have an assessment, or for which the Commissioner has notified you that you do not have a taxable income; and
- (b) is *not* attributable to a *capital gain made by the trust.

Note: For exceptions to paragraph (b), see section 45-290.

(3) However, if for any reason the component defined in subsection (2) does not exist or is a nil amount, or the trust has no *instalment income for that income year, **your instalment income** for the current period includes, for that trust, an amount that is reasonable having regard to:

- (a) the extent of your interest in the trust, and your interest in the income of the trust, during the current period; and
- (b) the trust's *instalment income for the current period; and
- (c) any other relevant circumstances.

Exception for corporate unit trusts and public trading trusts

(4) Your **instalment income** for the current period does *not* include an amount for a trust if the trustee is liable to be assessed, and pay tax, under section 102S of the *Income Tax Assessment Act* 1936 for the income year that is or includes that period.

Note: Your instalment income will still include a distribution by the trust as ordinary income. See section 45-120.

Exception for certain resident unit trusts

Note: Your instalment income will instead include a distribution by the trust as ordinary income. See section 45-285.

Exception for trusts whose beneficiary is absolutely entitled

(6) Your ***instalment income*** for the current period does *not* include an amount for a trust under subsection (1) if, throughout the current period:

- (b) if there was only one beneficiary, the beneficiary:
 - (i) was absolutely entitled to the trust assets; and
 - (ii) had a vested and indefeasible interest in any trust income arising from time to time; and
- (c) if there was more than one beneficiary, each beneficiary:
 - (i) was absolutely entitled to that beneficiary's interest in the trust assets; and
 - (ii) had a vested and indefeasible interest in a proportion of any trust income arising from time to time, being a proportion that corresponded to the beneficiary's proportional interest in the trust capital.

Instead, your ***instalment income*** for the current period includes the following amount:

(It does not matter whether the trust income or trust capital is included in your assessable income for the income year that is or includes that period.)

(2) Your ***instalment income*** for a period also includes trust income or trust capital that a unit trust distributes to you, or applies for your benefit, during that period if:

- (a) the income or capital is *not* included in your instalment income under subsection (1); and
- (b) the unit trust is a resident unit trust (within the meaning of section 102O of the *Income Tax Assessment Act 1936*) for the income year of the trust that is or includes that period.

 - (c) the beneficiary's or beneficiaries' absolute entitlement exists at all times while the holding trust is in existence; the beneficiary or beneficiaries count as persons who hold units in the unit trust, and the trustee of the holding trust does not.

Instalment income includes distributions by certain managed investment trusts

Your **instalment income** for a period includes trust income or trust capital that a trust distributes to you, or applies for your benefit, during that period if:

- (a) the income or capital is not included in your instalment income under section 45-280 or 45-285; and

 - (a) any provision in the trust's constituent document, or in a contract, agreement or instrument:
 - (i) authorising the variation or abrogation of rights attaching to any of the interests in the trust; or
 - (ii) relating to the conversion, cancellation, extinguishment or redemption of any of those interests; or
 - (b) any contract, *arrangement, option or instrument under which a person has power to acquire any of those interests;
 - (c) any power, authority or discretion in a person in relation to the rights attaching to any of those interests;
- it is reasonable to conclude that the rights attaching to any of those interests are capable of being varied or abrogated in such a way (even if they are not in fact varied or abrogated in that way) that directly or indirectly, the trust would be disqualified under subsection (1).

Tracing

- (4) In applying this section:
 - (a) if a *complying superannuation fund, *approved depositary or *superannuation fund for foreign residents has more than 20 members and has, directly or indirectly, a *fixed entitlement to any of the trust's income or capital—that entitlement is taken to be held by more than 20 individuals for their own benefit; and

(d) all of the trust's beneficiaries became beneficiaries as a result of a public offer to invest in the trust; and

(e) either:

Exceptions to exclusion of trust capital gains from beneficiary's instalment income

- (1) This section sets out cases where paragraph (b) of the definition of ***your assessable income from the trust for the last income year*** in subsection 45-280(2) does not apply.
- (2) It does not apply in the case of:
 - (a) a *complying approved deposit fund or a *non-complying approved deposit fund for the income year that is or includes the current period; or

However, the instalment rate must be a nil rate if either component of the formula is nil.

- (2) For the purposes of the formula in subsection (1):

base assessment instalment income means so much of your assessable income, as worked out for the purposes of the *base assessment, as the Commissioner determines is *instalment income for the *base year.

- (3) The ***base assessment*** is the latest assessment for your most recent income year for which an assessment has been made. However, if the Commissioner is satisfied that there is a later

However, if the Commissioner is satisfied that there is a later income year for which you do not have a taxable income, the **base assessment** is the latest return or other information from which an assessment for that income year would have been made.

- (4) The **base year** is the income year to which the *base assessment relates.
- (5) When the Commissioner gives you the instalment rate, he or she must also notify you of the amount of your *notional tax, as worked out for the purposes of working out the instalment rate.

Working out your *notional tax*

Notional tax if you have no withholding income

- (1) Your **notional tax** is your *adjusted tax (worked out under section 45-340) on your *adjusted taxable income (worked out under section 45-330) for the *base year.

Notional tax if you have no-TFN contributions income

- (1A) In working out the **notional tax** of a *complying superannuation fund, *non-complying superannuation fund or *RSA provider for the *base year, assume that the entity had no *no-TFN contributions income for the base year and that the entity was not entitled to a tax offset for the base year under Subdivision 295-J of the *Income Tax Assessment Act 1997*.

Notional tax if you have withholding income

- (2) However, your **notional tax** (as worked out under subsection (1)) is reduced if your assessable income for the *base assessment includes amounts in respect of *withholding payments (except *non-quotation withholding payments).
- (3) It is reduced (but not below nil) by your *adjusted tax (worked out under section 45-340) on your *adjusted withholding income (worked out under section 45-335) for the *base year.

Commissioner may take into account effect of the law, as applied to income years after base year

- (4) For the purposes of working out your *notional tax, the Commissioner may work out an amount as if provisions of an *A* regulations, as they may reasonably be expected to apply for the purposes of your assessment for a later income year, had applied for the purposes of the *base assessment.

Commissioner may take into account proposed changes to the law so as to reduce instalment rate

- (5) For the purposes of working out your *notional tax, the Commissioner may work out an amount as if provisions of an *A* regulations that, in the Commissioner's opinion, are likely to be enacted or made had applied for the purposes of the *base assessment. But the Commissioner may do so only if, as a result, the instalment rate given to you is reduced.
- (6) If the *base year is the income year immediately preceding the income year in which 1 July 2000 occurred, subsections (4) and (5) apply for the purpose of working out the *base assessment of the instalment income of a *life insurance company in the same way as they apply for the purpose of working out such a company's *notional tax.

Working out your *adjusted taxable income*

- (1) Your ***adjusted taxable income*** for the *base year is your *assessable income* for the *base assessment, reduced by:
- (a) any *net capital gain included in that assessable income;
 - (b) your deductions for the base year (except *tax losses), used in making that assessment; and
 - (c) the amount of any tax loss, to the extent that it is *unutilised at the end of the base year.

Exception: superannuation entities and net capital gains

- (2) Paragraph (1)(a) does not apply in the case of:
- (a) a *complying approved deposit fund or a *non-complying approved deposit fund for the *base year; or
 - (b) a *complying superannuation fund or a *non-complying superannuation fund for that year; or
 - (c) a *pooled superannuation trust for that year.

Special rule for some entities

- (2A) If an entity:
- (a) has *tax losses transferred to it under Subdivision 707-*the Income Tax Assessment Act 1997*; or
 - (b) is a *corporate tax entity at any time during the *base year, the ***adjusted taxable income*** of the entity for the base year is worked out under subsection (1) as if paragraph (1)(c) were replaced by the following provision:
 - (c) the lesser of the following amounts:
 - (i) the amount of any tax loss, to the extent that it is *unutilised at the end of the base year;
 - (ii) the amount of the deductions for tax losses used in making your *base assessment.

Amounts assessable under Subdivision 250-E of the Income Tax Assessment Act 1997

- (2AA) To avoid doubt, paragraph (1)(a) does not apply to a *net capital gain that is included in your assessable income under Subdivision 250-E of the *Income Tax Assessment Act 1997*.

Special rule for life insurance companies

- (3) The ***adjusted taxable income*** of a *life insurance company for the *base year is worked out as follows:

Method statement

Step 1. Recalculate the taxable income of the *ordinary class for the *base assessment on the basis that it did not include any *net capital gain.

Step 2. Add to the step 1 result the deductions for *tax losses of the *ordinary class that were used in making the *base assessment.

Step 3. Reduce the step 2 result by the lesser of the following amounts:

- (a) the amount of any *tax losses of the *ordinary class, to the extent that they are *unutilised at the end of the *base year;

(b) deductions for tax losses of the ordinary class were used in making the *base assessment.

Step 4. Add to the step 3 result the taxable income of the *complying superannuation class for the *base assessment.

(a) the amount of any *tax losses of the *complying superannuation class, to the extent that they are *unutilised at the end of the *base year;

(b) deductions for tax losses of the complying superannuation class that were used in making the *base assessment.

The result of this step is the **adjusted taxable income** of the company for the *base year.

Working out your *adjusted withholding income*

Your **adjusted withholding income** for the *base year is:

- the total of the amounts included in your assessable income for the *base assessment in respect of *withholding payments (except *non-quotation withholding payments);

reduced by:

- your deductions for that year, as used in making that assessment, to the extent that they reasonably relate to those amounts.

Your **adjusted tax** on your *adjusted taxable income, or on your *adjusted withholding income, for the *base year is worked out as follows:

Step 3. The amount (if any) that you would have been liable to pay for the *base year in respect of an *accumulated F debt if your taxable income for the base year had been your *adjusted taxable income, or your *adjusted withholding income, for that year is worked out.

Step 3AAA. The amount (if any) that you would have been liable to pay for the *base year in respect of an *accumulated VETSL debt if your taxable income for the base year had been your *adjusted taxable income, or your *adjusted withholding income, for that year is worked out.

$$\frac{\text{Your } * \text{benchmark tax}}{\text{Variation year instalment income}} \times 100$$

However, your **benchmark instalment rate** is a nil rate if either component of the formula is nil.

- (2) For the purposes of the formula in subsection (1):

variation year instalment income means so much of your assessable income for the variation year as the Commissioner determines is *instalment income for that year.

Working out your *benchmark tax*

Benchmark tax if you had no withholding income

- (1) Your **benchmark tax** is your *adjusted assessed tax (worked out under section 45-375) on your *adjusted assessed taxable income (worked out under section 45-370) for the variation year.

Benchmark tax if you have no-TFN contributions income

- (1A) In working out the **benchmark tax** of a *complying superannuation fund, *non-complying superannuation fund or provider for the variation year, assume that the entity had no *no-TFN contributions income for the variation year and that the entity was not entitled to a *tax offset for the variation year under Subdivision 295-J of the *Income Tax Assessment Act 1997*.

- (1) Your **adjusted assessed taxable income** for the variation year is your taxable income for the year, reduced by any *net capital gain included in your assessable income for the year.

Exception: superannuation entities and net capital gains

- (2) In working out the **adjusted assessed taxable income**, taxable income is not reduced by any *net capital gain in the case of:
- a *complying approved deposit fund or a *non-complying approved deposit fund for the variation year; or
 - a *complying superannuation fund or a *non-complying superannuation fund for the variation year; or
 - a *pooled superannuation trust for the variation year.

 - specifying the kind of payers to whom the reduction applies.
- (5) In working out, under subsection (2), the amount of your instalment for an *instalment quarter in an income year, assume that there had not been any reductions under subsection (3) for earlier instalment quarters in that year.

Working out amount of instalment—payers of 2 quarterly instalments

- (1) This section applies if you are a *quarterly payer who pays 2 instalments annually on the basis of GDP-adjusted notional tax at the end of an *instalment quarter in an income year (the **current year**).

Amount of instalment

- (3) Subject to subsections (4) to (6), the amount of that instalment is worked out in accordance with the following table:

Amount of quarterly instalment		
Item	If the *instalment quarter is:	the amount of the instalment is:
1	the third *instalment quarter in the income year	75% of your *GDP-adjusted notional tax

- (7) To avoid doubt, subsections 45-325(4) and (5) also have effect for the purposes of working out your *GDP-adjusted notional tax.

Estimating your benchmark tax

- (1) If you choose under paragraph 45-112(1)(b) to work out the amount of your instalment for an *instalment quarter in an income year on the basis of your estimate of your *benchmark tax for that income year, you must make the estimate on or before the day on which the instalment is due (disregarding subsection 45-112(3)).

- (2) Having done so, you must use that estimate to work out the amount of that instalment. (You cannot later make another estimate for working out that amount.)

Note: If your estimate leads you to pay an instalment that is too low, you may be liable to general interest charge under section 45-232.

- (3) The Commissioner must also use that estimate to work out in this Subdivision the amount of each instalment:

- (a) that you are liable to pay for a later *instalment quarter in that income year; and
(b) whose amount he or she must notify to you under paragraph 45-112(1)(c);

unless a later application of this subsection requires him or her to use a later estimate you make under subsection (1) of this section.

Note: This means that if an estimate you have made is not appropriate for a later instalment quarter in the same income year, you should choose paragraph 45-112(1)(b) to work out the amount of your instalment for a later quarter on the basis of a new estimate under this section. If the

instalment that the Commissioner works out on the basis of the earliest estimate is too low, you may be liable to general interest charge under section 45-232.

Credit in certain cases where amount of instalment is nil

- (1) You are entitled to claim a credit if the amount of your instalment for an *instalment quarter (the **current quarter**) in an income year is nil because the amount worked out for the current quarter in accordance with section 45-410 or 45-412 (as appropriate) is negative. The amount of the credit is equal to that amount, expressed as a positive amount.
- (2) A claim for a credit must be made in the *approved form on or before the day on which the instalment for the current quarter is due.

Note: How the credit is applied is set out in Division 3 of Part IIB.

Trustees to whom this Part applies

Trustees to whom a single instalment rate is given

- (1) This Part applies to a trustee covered by any of items 4 to 8, 12 and 13, of the table in section 9-1 of the *Income Tax Assessment Act 1997*.
- (2) Such a trustee is called a **single-rate trustee**.
- (3) This Part applies to the trustee of a trust that is a *public trustee, for an income year as if the trustee had a taxable income for the income year equal to the net income of the trust for the income year.

Trustees to whom several instalment rates are given

Trustee previously assessed in respect of beneficiary

- (1) This Part also applies for an income year (the **current year**) if for a previous income year the trustee of a trust, in respect of a beneficiary of the trust, was liable to be assessed, and to pay tax, under subsection 98(1) or (2) of the *Income Tax Assessment Act 1936* in respect of that beneficiary:
- (2) However, this Part does not apply for the current year to the trustee in respect of that beneficiary if:
 - (a) for that previous income year the trustee was liable to be assessed, and to pay tax, under subsection 98(1) of the *Income Tax Assessment Act 1936* in respect of that beneficiary; and
 - (b) that beneficiary will no longer be under a legal disability, and it is reasonable to expect that he or she will no longer be under a legal disability, at the end of the current year.

Trustee previously assessed under section 99 or 99A

- (3) This Part also applies for an income year to the trustee of a trust, in respect of a beneficiary of the trust, if for a previous income year the trustee was liable to be assessed, and to pay tax, under section 99 or 99A of the *Income Tax Assessment Act 1936*.

Multiple applications of this Part to the same trustee for the same income year

- (4) The application of this Part for an income year, to the trustee of a trust, in respect of a beneficiary of the trust, because of subsection (1), is distinct from, and additional to, each of the following:
 - (a) the application of this Part for that income year, to the trustee of the trust, in respect of another beneficiary;
 - (b) the application of this Part for that income year, to the trustee of the trust, because of subsection (3);
 - (c) the application of this Part for that income year to a beneficiary of the trust.
- (5) The application of this Part for an income year, to the trustee of a trust, because of subsection (3), is distinct from, and additional to, each of the following:
 - (a) the application of this Part for that income year, to the trustee of the trust, in respect of a beneficiary of the trust, because of subsection (1);
 - (b) the application of this Part for that income year to a beneficiary of the trust.
- (6) A **multi-rate trustee** is a trustee to whom this Part applies because of this section.

Rest of Subdivision applies only to multi-rate trustees

The rest of this Subdivision applies to you if, and only if, you are a *multi-rate trustee. (It applies instead of Subdivisions 45-J and 45-K.)

Note: Except as provided in the rest of this Subdivision or elsewhere, this subdivision applies according to its terms to a multi-rate trustee. For example, a multi-rate trustee can become an annual payer under Subdivision 45-K.

Meaning of *instalment income*

Your ***instalment income*** for a period is the whole of the true **instalment income* for that period.

Multi-rate trustee may pay quarterly instalments

Subdivision 45-D (about quarterly payers) applies to you in the same way as it applies to an individual.

Note: This means that a multi-rate trustee may pay instalments on the basis of a GDP-adjusted notional tax if the trustee otherwise satisfies the relevant test that applies to an individual.

Commissioner works out instalment rate and notional tax for a multi-rate trustee

Working out instalment rate

- (1) An instalment rate that the Commissioner gives you must be a percentage worked out to 2 decimal places (rounding up if the decimal place is 5 or more) using the formula:

$$\frac{\text{Your } * \text{notional tax}}{\text{Base assessment instalment income}} \times 100$$

However, the instalment rate must be a nil rate if either component of the formula is nil.

- (2) For the purposes of the formula in subsection (1):

base assessment instalment income means so much of the assessable income of the trust, as worked out for the purposes of the *base assessment, as the Commissioner determines is *instalment income of the trust for the *base year.

- (3) The **base assessment** is the latest assessment for the most recent income year for which an assessment has been made of tax payable by you:

- under subsection 98(1) or (2) of the *Income Tax Assessment Act 1936* in respect of the same beneficiary; or
- under section 99 or 99A of the *Income Tax Assessment Act 1936*;

as appropriate.

- (4) However, if the Commissioner is satisfied that there is a later income year for which no tax is payable as mentioned in subsection (3), the **base assessment** is the latest return or other information from which an assessment of tax so payable for the income year would have been made.

- (5) The **base year** is the income year to which the *base assessment relates.

Commissioner must notify you of notional tax

When the Commissioner gives you the instalment rate, he or she must also notify you of the amount of your *notional tax, as worked out for the purposes of working out the instalment rate.

Working out your notional tax

Notional tax if no withholding income

- (1) Your **notional tax** is your *adjusted tax (worked out under section 45-340) on your *adjusted taxable income (worked out under section 45-480) for the *base year.

Notional tax if trust has withholding income

- (2) However, your **notional tax** (as worked out under subsection (1)) is reduced if the trust's assessable income for

*base assessment includes amounts in respect of *withholding payments (except *non-quotation withholding payments).

- (3) It is reduced (but not below nil) by your *adjusted tax (worked out under section 45-340) on your *adjusted withholding income (worked out under section 45-485) for the *base year.

Commissioner may take into account actual and proposed changes to the law

- (4) Subsections 45-325(4) and (5) apply for the purposes of working out your *notional tax under this section.

Working out your *adjusted taxable income*

- (1) Your ***adjusted taxable income*** for the *base year is worked out using the formula:

$$\text{Adjusted net income of the trust} \times \frac{\text{Relevant share}}{\text{Reduced net income of the trust}}$$

- (2) For the purposes of the formula in subsection (1):

adjusted net income of the trust means the net income of the trust, as worked out for the purposes of the *base assessment

- (a) reduced by any *net capital gain included in the trust's assessable income as so worked out; and
- (b) increased by any deductions for *tax losses that were not used in so working out that net income; and
- (c) reduced by the amount of any tax loss, to the extent that it was *unutilised at the end of the *base year.

reduced net income of the trust means the net income of the trust, as worked out for the purposes of the *base assessment reduced by any *net capital gain included in the trust's assessable income as so worked out.

relevant share means the *reduced beneficiary's share, or the *reduced no beneficiary's share, as appropriate, of the net income of the trust, as worked out for the purposes of the *base assessment.

Meaning of *reduced beneficiary's share* and *reduced no beneficiary's share*

- (1) If the trustee of a trust is liable to be assessed, and to pay tax for an income year under subsection 98(1) or (2) of the *Income Tax Assessment Act 1936* in respect of a particular beneficiary, the ***reduced beneficiary's share*** of the net income is the amount on which the trustee is so liable to be assessed and to pay tax, except so much of that amount as is attributable to a *net capital gain included in the trust's assessable income for that income year.

- (2) If the trustee of a trust is liable to be assessed, and to pay tax for an income year under section 99 or 99A of the *Income Tax Assessment Act 1936*, the ***reduced no beneficiary's share*** of the net income is the amount on which the trustee is so liable to be assessed and to pay tax, except so much of that amount as is attributable to a *capital gain made by the trust during that income year.

Working out your *adjusted withholding income*

- (1) Your ***adjusted withholding income*** for the *base year is worked out using the formula:

$$\text{Net withholding income} \times \text{Relevant share}$$

(2) For the purposes of the formula in subsection (1):

net withholding income of the trust means:

- the total of the amounts included in the trust's assessable income for the *base assessment in respect of *withholding payments (except *non-quotation withholding payments); reduced by:

- the trust's deductions for that year, as used in making the assessment, to the extent that they reasonably relate to the amounts.

reduced net income of the trust has the meaning given by subsection 45-480(2).

relevant share has the meaning given by subsection 45-480(2).

Commissioner works out benchmark instalment rate and benchmark tax for a multi-rate trustee

When Commissioner works out benchmark instalment rate and benchmark tax

(1) The Commissioner may work out your *benchmark instalment rate for an income year (the **variation year**) if, under section 45-205, you choose an instalment rate to work out the amount of your instalment for an *instalment quarter in that year.

(2) The Commissioner may work out your *benchmark tax for an income year (the **variation year**) if, under paragraph 45-112(1)(a) or (c), the amount of your instalment for an *instalment quarter in an income year is worked out on the basis of your estimate of *benchmark tax for that income year.

(3) The Commissioner may work out your *benchmark tax for an income year (the **variation year**) if, under paragraph 45-115(1), you estimate the amount of your annual instalment for that year.

How Commissioner works out **benchmark instalment rate**

(1) Your **benchmark instalment rate** for the variation year is a percentage worked out to 2 decimal places (rounding up if the second decimal place is 5 or more) using the formula:

$$\frac{\text{Your } * \text{benchmark tax}}{\text{Variation year instalment income}} \times 100$$

However, your **benchmark instalment rate** is a nil rate if either component of the formula is nil.

(2) For the purposes of the formula in subsection (1):

variation year instalment income means so much of the trustee's assessable income for the variation year as the Commissioner determines is *instalment income for that year.

Working out your **benchmark tax**

Benchmark tax if no withholding income

(1) Your **benchmark tax** is your *adjusted assessed tax (worked out under section 45-375) on the *reduced beneficiary's share, or the *reduced no beneficiary's share, as appropriate, of the net income of the trust for the variation year.

Benchmark tax if you had withholding income

(2) However, your **benchmark tax** (as worked out under

(2) however, your **benchmark tax** (as worked out under subsection (1)) is reduced if the trust's assessable income for variation year includes amounts in respect of *withholding payments.

(3) It is reduced (but not below nil) by the total amount of the credit to which you are entitled for the variation year under section 45-625 (for amounts withheld from the withholding payments).

Object of this Subdivision

(1) The object of this Subdivision is to penalise an entity whose position, so far as it relates to *PAYG instalments (and related credits and *general interest charge), is altered by a *scheme that is inconsistent with:

- (a) the purposes and objects of this Part ; or
- (b) the purposes and objects of any relevant provisions of this Part;

(whether those purposes and objects are stated expressly or not).

(2) This Subdivision is *not* intended to apply to a straightforward use of structural features of this Part if that use is consistent with the purposes and objects mentioned in subsection (1).

(3) This Subdivision is to be interpreted and applied according to the principles of Part 1.

Effect of Subdivision in relation to instalment months

This Subdivision has effect in relation to an *instalment month in the same way in which it has effect in relation to an *instalment quarter.

General interest charge on tax benefit relating to instalments

- (1) You are liable to pay the *general interest charge under section 45-620 if:
- (a) you get a *tax benefit from a *scheme; and
 - (b) the tax benefit relates to a *component of your *tax position for an income year, and that component is covered by section 45-610; and
 - (c) having regard to the matters referred to in subsection 45-610(1), it would be concluded that an entity that entered into or carried out the scheme (or part of it) did so for the sole or dominant purpose of:

- (i) an entity (whether you, that entity or another entity) getting one or more tax benefits from the scheme; or
- (ii) 2 or more entities (whether or not including you or another entity) each getting one or more tax benefits from the scheme.

(2) It does not matter:

- (a) whether or not you entered into or carried out the *scheme (or part of it); or
- (b) whether the entity that entered into or carried out the scheme (or part of it) did so alone or together with one or more others; or
- (c) whether the scheme (or any part of it) was entered into or carried out inside or outside Australia; or
- (d) whether or not the *tax benefit you got is of the same kind as a tax benefit mentioned in paragraph (1)(c).

Matters to be considered in determining purpose of scheme

- (3) In considering an entity's purpose in entering into or carrying out a *scheme (or part of one), have regard to these matters:
- (a) the manner in which the scheme or part was entered into or carried out;
 - (b) the form and substance of the scheme, including:
 - (i) the legal rights and obligations involved in the scheme and
 - (ii) the economic and commercial substance of the scheme;
 - (c) the purposes and objects of this Part and of any relevant provisions of this Part (whether those purposes and objects are stated expressly or not);
 - (d) the timing of the scheme;
 - (e) the period over which the scheme was entered into and carried out;
 - (f) the effect that this Act would have in relation to the scheme apart from this Subdivision;
 - (g) any change in your financial position that has resulted from the scheme, or may reasonably be expected to result from it;
 - (h) any change that has resulted from the scheme, or may reasonably be expected to result from it, in the financial position of an entity that has or had a connection or dealing with you, whether the connection or dealing is or was of a family, business or other nature;
 - (i) any other consequence for you, or for such an entity, of the scheme having been entered into or carried out;
 - (j) the nature of the connection between you and such an entity, including the question whether the dealing is or was within *arm's length.

GIC is payable on each of 2 or more tax benefits

- (4) If you get 2 or more *tax benefits from the *scheme, this section has a separate application to each of them.

When do you get a *tax benefit* from a scheme?

- (1) This section describes how to work out whether you get a *tax benefit* from a *scheme and, if so, the amount of the tax benefit.
- (2) First, determine your actual *tax position for an income year (apart from this Subdivision).
- (3) Next determine your *hypothetical tax position for the same

(3) Next, determine your *hypothetical tax position for the same income year (apart from this Subdivision).

(4) Then compare each *component of the 2 positions. If the amount of that component of the actual *tax position is *lower* than the amount of that component of the *hypothetical tax position, the difference between the 2 amounts is a **tax benefit** that you get from the *scheme.

Note 1: The difference between the 2 amounts is *not* a tax benefit to the entity if it is attributable to certain things for which the income tax law expressly provides. See section 45-635.

Note 2: An entity may get 2 or more tax benefits from the same scheme. One reason is that the scheme may affect 2 or more components of the entity's tax position for an income year. Another reason is that the scheme may affect the tax position for 2 or more income years.

What is your **tax position** for an income year?

Your **tax position** for an income year consists of a number of **components**. The table sets out each component, and how to work out the amount of the component.

Components of your tax position that relate to PAYG instalments and credits

Item	Each of these is a component:	The amount of that component is:
1	Your instalment for each *instalment quarter in the income year is a quarterly instalment component .	<p>The amount worked out as follows:</p> <p>(a) if you are liable to pay an instalment for that instalment quarter—the amount of the instalment; or</p> <p>(b) if for any reason you are not liable to pay an instalment for that instalment quarter—nil (even if you are an *annual payer or a *quarterly payer who pays 2 instalments annually on the basis of GDP-adjusted notional tax); or</p> <p>(c) if you are entitled to claim a credit for that instalment quarter under section 45-420 (because the instalment for that quarter is to be worked out on the basis of your estimated benchmark tax)—the amount of the credit (expressed as a negative amount).</p>
2	Your annual instalment for the income year is the annual instalment component .	<p>The amount worked out as follows:</p> <p>(a) if you are liable to pay an annual instalment for the income year—the amount of the instalment; or</p> <p>(b) if for any reason you are not liable to pay an annual instalment for the income year—nil (even if you are a *quarterly payer).</p>

3	<p>A <i>variation credit component</i> is a credit arising under section 45-215 because the amount of your instalment for an *instalment quarter in the income year is to be worked out using an instalment rate you chose under section 45-205.</p>	<p>The amount worked out as follows:</p> <ul style="list-style-type: none"> (a) if you are entitled to the credit—the amount of the credit (expressed as a negative amount); or (b) otherwise—nil.
4	<p>A <i>variation GIC component</i> is the *general interest charge you are liable to pay under:</p> <ul style="list-style-type: none"> (a) subsection 45-230(2) (varied instalment rate); or (b) subsection 45-232(2) (estimated benchmark tax); or (c) subsection 45-235(2) or (3) (annual instalment); <p>because of how your instalment for an *instalment quarter in the income year, or for the income year, was worked out.</p>	<p>The amount worked out as follows:</p> <ul style="list-style-type: none"> (a) if you are liable to pay the charge—the amount of the charge; or (b) otherwise—nil.

Example: A scheme results in X Pty Ltd being able to choose to be an annual for the 2000-01 income year.

The following table shows the actual tax position of X Pty Ltd for the year, and also its hypothetical tax position as defined in section 45-6. Pty Ltd has got 4 tax benefits from the scheme: one for each of the 4 instalment quarters.

2000-01 income year		
For this component:	The amount of that component of the actual tax position is:	The amount of that component of the hypothetical tax position is:
Quarterly instalment component for first instalment quarter	nil	\$3,000
Quarterly instalment component for second instalment quarter	nil	\$4,000
Quarterly instalment component for third instalment quarter	nil	\$3,000
Quarterly instalment component for fourth instalment quarter	nil	\$2,000
Annual instalment component	\$12,000	nil

What is your ***hypothetical tax position*** for an income year?

Your ***hypothetical tax position*** for an income year is what

would have been, or what could reasonably be expected to have been, your *tax position for the income year if the *scheme had not been entered into or carried out.

Amount on which GIC is payable, and period for which it is payable

- (1) You are liable to pay the *general interest charge on twice the amount of the *tax benefit mentioned in paragraph 45-600(1)(a).

Note 1: To the extent that you also got a tax detriment from the scheme, you are entitled to a credit: see section 45-625.

Note 2: In special circumstances the Commissioner can remit some or all of the *general interest charge: see section 45-640.

- (2) You are liable to pay the charge for each day in the period that:

(a) started at the beginning of the day by which your instalment for the period mentioned in the applicable item of the table in section 45-610 was due to be paid, or would have been due to be paid if you had been liable to pay an instalment for that period; and

(b) finishes at the end of the day on which your assessed tax for the income year is due to be paid.

- (3) The Commissioner must give you written notice of the *general interest charge to which you are liable under subsection (1). You must pay the charge within 14 days after the notice is given to you.

- (4) If any of the *general interest charge to which you are liable under subsection (1) remains unpaid at the end of the 14 days referred to in subsection (3), you are also liable to pay the general interest charge on the unpaid amount for each day in the period that:

(a) starts at the end of those 14 days; and

(b) finishes at the end of the last day on which, at the end of the day, any of the following remains unpaid:

- (i) the unpaid amount;
(ii) general interest charge on the unpaid amount.

Credit if you also got a tax detriment from the scheme

- (1) You are entitled to a credit if:

(a) you are liable to pay *general interest charge under section 45-620 because you got one or more *tax benefits from the *scheme; and

(b) the Commissioner is satisfied that:

(i) you got a *tax detriment from the scheme; and

(ii) the tax detriment relates to a *component of your *tax position for an income year, and that component is covered by section 45-610.

(It does not matter whether that income year is the same as the income year referred to in section 45-600.)

Note: How the credit is applied is set out in Division 3 of Part IIIB.

- (2) The credit is equal to the *general interest charge on twice the amount of the *tax detriment for each day in the period that:

(a) started at the beginning of the day by which your instalment for the period mentioned in the item of the table in section 45-610 that applies for the purposes of working out the amount of the tax detriment:

- (i) was due to be paid; or

- (ii) would have been due to be paid if you had been liable to pay an instalment for that period; and
 - (b) finishes at the end of the day on which your assessed tax on the income year is due to be paid.
- (3) However, the credit cannot exceed the total *general interest charge you are liable to pay under section 45-620 because you get one or more *tax benefits from the *scheme.

Credit for each of 2 or more tax detriments

- (4) If you get 2 or more *tax detriments from the scheme, subsections (1) and (2) have a separate application to each of them. However, the total of the credits cannot exceed the total *general interest charge referred to in subsection (3).

When do you get a *tax detriment* from a scheme?

- (1) This section describes how to work out whether you get a ***tax detriment*** from a *scheme and, if so, the amount of the tax detriment.
- (2) First, determine your actual *tax position for an income year (apart from this Subdivision).
- (3) Next, determine your *hypothetical tax position for the same income year (apart from this Subdivision).
- (4) Then compare each *component of the 2 positions. If the amount of that component of the actual *tax position is *higher* than the amount of that component of the *hypothetical tax position, the difference between the 2 amounts is a ***tax detriment*** that you get from the *scheme.

Example: In the fact situation in the example in section 45-610, X Pty Ltd gets a tax detriment from the scheme for the annual instalment component of its tax position for the income year.

Note 1: The difference between the 2 amounts is *not* a tax detriment to the extent that it is attributable to certain things for which the income tax law expressly provides. See section 45-635.

Note 2: An entity may get 2 or more tax detriments from the same scheme for 2 or more income years. One reason is that the scheme may affect 2 or more components of the entity's tax position for an income year. Another reason is that the scheme may affect the tax position for 2 or more income years.

No tax benefit or detriment results from choice for which income tax law expressly provides

Choice under the income tax law generally

- (1) The difference between the 2 amounts referred to in subsection 45-605(4) or 45-630(4) is *not* a *tax benefit or *tax detriment if there would have been no difference between the 2 amounts but for one or more matters covered by subsection (3).
- (2) The difference between the 2 amounts is *not* a *tax benefit or *tax detriment to the extent that the difference between the 2 amounts would have been less but for one or more matters covered by subsection (3).
- (3) This subsection covers:
 - (a) an entity making an agreement, choice, declaration, election or selection; or
 - (b) an entity giving a notice or exercising an option;

for which this Act expressly provides. However, this subsection does *not* cover an entity doing such a thing under:

- (c) Subdivision 126-B (about CGT roll-overs involving certain companies in the same wholly-owned group) of the *Income Tax Assessment Act 1997*; or
- (d) Subdivision 170-B of that Act (about transferring a net capital loss between certain companies in the same wholly-owned group).

Matters excluded in applying subsection (1) or (2)

(4) Subsection (1) or (2) does not apply to a matter covered by subsection (3) if an entity entered into or carried out the *scheme (or part of it) for the sole or dominant purpose of creating a circumstance or state of affairs whose existence is necessary for the entity referred to in subsection (3):

- (a) to make the agreement, choice, declaration, election or selection; or
- (b) to give the notice or exercise the option.

Choice under some CGT provisions

(5) The difference between the 2 amounts is *not* a *tax benefit or *tax detriment if:

- (a) there would have been no difference between the 2 amounts but for one or more matters covered by subsection (7); and
- (b) the *scheme consisted wholly of that matter or those matters.

(6) Also, the difference between the 2 amounts is *not* a *tax benefit or *tax detriment to the extent that the difference between the amounts would have been less but for one or more matters covered by subsection (7), but only if the *scheme consisted wholly of that matter or those matters.

(7) This subsection covers:

- (a) a choice made under Subdivision 126-B (about CGT roll-overs involving certain companies in the same wholly-owned group) of the *Income Tax Assessment Act 1997*; or
- (b) an agreement made under Subdivision 170-B of that Act (about transferring a net capital loss between certain companies in the same wholly-owned group);

Commissioner may remit general interest charge in special cases

(1) The Commissioner may, if he or she is satisfied that because special circumstances exist it would be fair and reasonable to do so, remit the whole or any part of any *general interest charge payable under section 45-620.

(2) If the Commissioner does so, section 45-625 (about credits for tax detriments from schemes) applies, and is taken always to have been applied, as if the remitted amount had never been payable.

Division 45-Q—General rules for consolidated groups

to Subdivision 45-Q

What this Subdivision is about

This Subdivision allows the members of a consolidated group

be treated as a single entity for the purposes of Pay as you go (PAYG) instalments. Generally, the head company of the group is the entity liable to pay PAYG instalments.

The PAYG instalments provisions in this Part apply to the head company in much the same way as they apply to any other company. However, the operation of some of these provisions is modified by this Subdivision.

This Subdivision also contains special rules to deal with changes in the membership of the group.

Note 1: Subdivision 45-R contains special rules that apply to members of a consolidated group before they are treated as a single entity for the purposes of this Part. It also contains special rules that affect the operation of this Subdivision (see sections 45-880 and 45-885).

Note 2: Subdivision 45-S extends the operation of this Subdivision so that it applies to members of a MEC group. It contains modifications of this Subdivision for the purposes of that extended operation.

Effect of Subdivision

Effect of this Subdivision and Subdivision 45-R in relation to monthly payers

(1) If:

- (a) a company is the *head company of a *consolidated group and

- (b) the company is a *monthly payer;

this Subdivision and Subdivision 45-R have effect in relation to the company as the head company of the group in respect of an *instalment month in the same way in which they have effect in relation to a company that is a *quarterly payer as the head company of a consolidated group in respect of an *instalment quarter.

(2) If:

- (a) an entity is a *subsidiary member of a *consolidated group and

- (b) the entity is a *monthly payer;

this Subdivision and Subdivision 45-R have effect in relation to the entity in the same way in which they have effect in relation to the head company of the group.

entity in respect of an *instalment month in the same way in which they have effect in relation to an entity that is a *quarterly payee in respect of an *instalment quarter.

- (3) However, those effects are subject to any modifications set out in those Subdivisions.

Note: Subdivision 45-S can also have effect in relation to a monthly payee because of the operation of this section and section 45-910.

Application of Subdivision to head company

Period during which Subdivision applies to head company

- (1) Subject to sections 45-880 and 45-885, this Subdivision applies to a company as the *head company of a *consolidated group during the period:

- (a) starting at the start of the *instalment quarter of the company determined under subsection (2), (3) or (4); and
- (b) ending:
 - (i) at the end of the instalment quarter of the company determined under paragraph (5)(a) or (b); or
 - (ii) just before the instalment quarter of the company determined under paragraph (5)(c) or (d).

When the period begins—initial head company instalment rate

- (2) This Subdivision starts to apply to a company as the *head company of a *consolidated group at the start of an *instalment quarter under this subsection if, during that quarter, the Commissioner gives the company (as that head company) the *initial head company instalment rate.

Note: The operation of this subsection may be affected by section 45-885.

When the period begins—group created from MEC group

- (3) This Subdivision starts to apply to a company as the *head company of a *consolidated group at the start of an *instalment quarter (the **starting quarter**) under this subsection if all of the following conditions are satisfied:

- (a) the consolidated group is *created from a *MEC group during the starting quarter;
- (b) the company is the head company of the consolidated group when the consolidated group is created from the MEC group;
- (c) either of the following applies:
 - (i) this Subdivision applied, in accordance with Subdivision 45-S, to the *provisional head company of the MEC group at the end of the previous instalment quarter;
 - (ii) the Commissioner gives the *initial head company instalment rate to the provisional head company of the MEC group during the starting quarter.

Note: For the application of this Subdivision to a provisional head company of a MEC group: see section 45-915.

When the period begins—new head company

- (4) This Subdivision starts to apply to a company as the *head company of a *consolidated group at the start of an *instalment quarter (the **starting quarter**) under this subsection if all of the following conditions are satisfied:

- (a) the company is an interposed company mentioned in

- (b) the company chooses under that subsection that the consolidated group is to continue in existence at and after completion time mentioned in that subsection;
- (c) the completion time occurs during the starting quarter;
- (d) one of the following subparagraphs applies:
 - (i) this Subdivision applied to the original entity mentioned in that subsection (as the head company of the consolidated group) at the end of the previous instalment quarter;
 - (ii) the Commissioner gives the *initial head company instalment rate to the original entity mentioned in that subsection (as the head company of the consolidated group) during the starting quarter;
 - (iii) the consolidated group is *created from a *MEC group during the starting quarter and this Subdivision applies to the *provisional head company of the MEC group at the end of the previous instalment quarter;
 - (iv) the consolidated group is created from a MEC group during the starting quarter and the Commissioner gives the initial head company instalment rate to the provisional head company of the MEC group during the starting quarter.

When the period begins—modified timing for head company that monthly payer

(4A) Subsection (4B) applies if:

- (a) apart from subsection (4B), this Subdivision starts to apply to a company as the *head company of a *consolidated group at a particular time because of the operation of subsection (2), (3) or (4); and
- (b) the company is a *monthly payer; and
- (c) the Commissioner gave the *initial head company instalment rate as mentioned in subsection (2), subparagraph (3)(c)(i) or subparagraph (4)(d)(ii) or subparagraph (4)(d)(iv) in an earlier *instalment month.

(4B) Treat subsection (2), (3) or (4) (as the case requires) as providing that this Subdivision starts to apply to the company as the *head company of the group at the start of the *next* *instalment month.

Note: For the application of this Subdivision to a monthly payer, see section 45-703.

When the period ends

- (5) This Subdivision stops applying to a company as the *head company of a *consolidated group at the earliest of the following times after the company becomes the head company:
 - (a) the end of the *instalment quarter during which the consolidated group ceases to exist (other than because a *group is *created from the consolidated group);
 - (b) the end of the instalment quarter during which the Commissioner is notified of the creation of a MEC group from the consolidated group if the MEC group is created during that instalment quarter;
 - (c) just before the instalment quarter during which the Commissioner is notified of the creation of a MEC group from the consolidated group if the MEC group was created before that instalment quarter.

- (d) just before the instalment quarter that includes the completion time mentioned in subsection 615-30(2) of the *Income Tax Assessment Act 1997* where an interposed company mentioned in that subsection chooses under that subsection that the consolidated group is to continue in existence.

Note: The operation of this subsection because of paragraph (a) may be affected by section 45-880.

- (6) For the purposes of subsection (5), the Commissioner is not of the creation of a *MEC group from a *consolidated group unless the Commissioner receives a notice of the consolidation of the group under subsection 719-40(1) of the *Income Tax Assessment Act 1997*.

- (7) If this Subdivision stops applying to a company as the *head company of a *consolidated group just before an *instalment quarter under paragraph (5)(c), then, for the purposes of this Act, this Act has effect for the company and other *members of the group as if:

- (a) the consolidated group had continued to exist until just before the start of that quarter; and
(b) the company were the head company of the group until before the start of that quarter.

- (8) To avoid doubt, this Subdivision does not apply to a company as the *head company of a *consolidated group for any time at all

- (a) subsection (2), (3) or (4), and subsection (5), would, apart from this subsection, apply to the company; but
(b) the time at which this Subdivision would stop applying to the company under subsection (5) is before the time at which this Subdivision would start to apply to the company under subsection (2), (3) or (4).

- (9) To avoid doubt, and apart from the operation of subsection (8), this Subdivision may apply to a company as the *head company of a *consolidated group at a time when the company is not in fact the head company of the group.

Note: An example of this is when an interposed company becomes the new head company of a consolidated group. Under this section and section 45-740, this Subdivision may start applying to the company even though it had already become the head company when it is not yet such a company.

Operation of this Part for consolidated group members

Single entity rule

If an entity is a *subsidiary member of a *consolidated group for any period during which this Subdivision applies to the *head company of the group:

- (a) that entity; and
(b) any other subsidiary member of the group;
- are taken for the purposes of this Part to be parts of that head company (rather than separate entities) during that period.

Note: That means, amongst other things, the head company would be liable to pay instalments for that period as if the subsidiary members were paying the head company.

When instalments are due—modification of section 45-61

(a) the *head company of a *consolidated group is liable to an instalment for an *instalment quarter; and

(b) this Subdivision applies to the head company during the quarter;

then, despite subsection 45-61(2), the instalment is due on or before the 21st day of the month after the end of that quarter whether or not the head company is a *deferred BAS payer on that day.

(2) Subsection (3) applies if section 45-703 applies to the *head company of the *consolidated group (because it is a *monthly payer).

(3) Treat the reference in subsection (1) to subsection 45-61(2) instead being a reference to subsection 45-67(2).

Head company cannot be an annual payer—modification of section 45-140

Despite any other provisions in this Part, the *head company of a *consolidated group cannot choose to be an *annual payer under section 45-140 while this Subdivision applies to the head company.

Note: You stop being an annual payer when this Subdivision starts applying to you as the head company of a consolidated group: see section 45-160.

Chairship changes

Change of head company

Object

(1) The object of this section (except subsection (8)) is to ensure that, for the purposes of this Part, when a company becomes the new *head company of a *consolidated group:

- (a) the company inherits the history of the former head company of the group; and
- (b) the history of the new head company is effectively ignored.

(2) This section applies to a *head company of a *consolidated group if:

- (a) the company is an interposed company mentioned in subsection 45-705(4) (an interposed company that chooses under subsection 615-30(2) of the *Income Tax Assessment Act 1997* that the consolidated group is to continue in existence and after the completion time mentioned in that subsection); and

- (b) the conditions in subsection 45-705(4) are satisfied in relation to the interposed company (whether or not this Subdivision applies to the company as the head company of the group for any period of time).

(3) Everything that happened before the completion time in relation to the company (**the original company**) that was the *head company of the *consolidated group immediately before the completion time:

- (a) is taken to have happened in relation to the interposed company instead of in relation to the original company; and
- (b) is taken to have happened in relation to the interposed company instead of what would (apart from this section) have been taken to have happened in relation to the interposed company before the completion time;

just as if, at all times before the completion time:

- (c) the interposed company had been the original company
 - (d) the original company had been the interposed company
- (4) To avoid doubt, subsection (3) also covers everything that, immediately before the completion time, was taken to have happened in relation to the original company because of:
- (a) section 701-1 of the *Income Tax Assessment Act 1997* (single entity rule); or
 - (b) section 701-5 of that Act (entry history rule); or
 - (c) section 703-75 of that Act (effects of an interposed company becoming the *head company of a *consolidated group); or
 - (d) section 719-90 of that Act (effects of a change of head company of a *MEC group); or
 - (e) section 45-710 in this Schedule (single entity rule for the purposes of this Part), including an application of that section under Subdivision 45-S in this Schedule; or
 - (f) this section; or
 - (g) section 45-920 in this Schedule (effects of a change of *provisional head company of a MEC group for the purposes of this Part); or
 - (h) one or more previous applications of any of the provisions covered by paragraphs (a) to (g).

(5) In addition, and without affecting subsection (3):

- (a) an assessment of the original company for an income year that ends before the income year that includes the completion time; or
 - (b) an amendment of the assessment;
- is taken to be something that had happened to the interposed company, whether or not the assessment or amendment is made before the completion time.

(6) This section has effect for the purposes of applying this Part to *members of the *consolidated group in relation to an *instalment quarter of the interposed company that ends after the completion time.

Note: An assessment mentioned in subsection (5) may therefore be taken as the base assessment of the interposed company for the purposes of this Part.

(7) Subsections (1) to (6) are to be disregarded in applying section 45-705 (about the application of this Subdivision to a company as the *head company of a *consolidated group).

Note: For example, if the Commissioner has given an initial head company instalment rate to the original company during an earlier instalment quarter, the rate is not, despite this section, treated as if it had been given to the interposed company for the purposes of section 45-705. Subject to the other provisions in that section, this Subdivision therefore starts applying to the interposed company under subsection 45-705(4).

Special rule for the original company

(8) A provision of this Part that applies on an entity becoming a *subsidiary member of a *consolidated group does not apply to the original company when it is taken to have become such a member at the completion time as a result of section 703-70 of the *Income Tax Assessment Act 1997*.

Note: Section 45-755 (the entry rule) therefore does not apply to the original company on the company becoming a subsidiary member of the

Entry rule (for a n entity that becomes a subsidiary member of a consolidated group)

- (1) Despite any other provisions in this Part, an entity is liable to pay an instalment for an *instalment quarter or income year (as appropriate) during which the entity becomes a *subsidiary member of a *consolidated group if:
- (a) this Subdivision applies to the *head company of the group at any time during that quarter or year (as appropriate); and
 - (b) the entity would otherwise be liable to pay an instalment for that quarter or year (as appropriate) if it had not become a subsidiary member of the group; and
 - (c) the entity becomes a subsidiary member of the group on a day other than the first day of that quarter or the first day of that year (as appropriate).

Note: Under paragraph (b), this section could apply to an entity that, at the time of becoming a subsidiary member of the group, was not a subsidiary member of another consolidated group, or was a member of another consolidated group but this Subdivision did not apply to the head company of that other group at that time.

Modifications for a quarterly payer who pays 4 instalments annually on the basis of GDP-adjusted notional tax

- (2) Subsections (3) and (4) apply to the entity if:
- (a) the entity would have been a *quarterly payer who paid instalments annually on the basis of GDP-adjusted notional tax at the end of the *instalment quarter mentioned in subsection (1) if it had not become a *subsidiary member of the group; and
 - (b) the amount of the instalment payable by the entity for that quarter would have been worked out under paragraph 45-112(1)(b); and
 - (c) that quarter is not the fourth instalment quarter in an income year.
- (3) For the purposes of working out the amount of the instalment payable by the entity for that *instalment quarter, subsection 45-410(5) applies to the entity as if that quarter were the fourth instalment quarter in the income year for which the entity is liable to pay an instalment.
- (4) For the purposes of working out the *acceptable amount of the entity's instalment for that instalment quarter, subsection 45-232(3) applies to the entity as if that quarter were the fourth instalment quarter in the income year for which the entity is liable to pay an instalment.

Exit rule (for an entity that ceases to be a subsidiary member of a consolidated group)

- (1) This section applies to an entity if all of the following conditions are satisfied:
- (a) the entity ceases to be a *subsidiary member of a *consolidated group during an *instalment quarter of the *head company of the group;
 - (b) this Subdivision applies to the head company of the group during that instalment quarter;
 - (c) the entity does not, at the time it ceases to be a subsidiary member of the group, pay an instalment for that quarter.

member of the group, become:

- (i) a subsidiary member of another consolidated group, head company of which is one to which this Subdivision applies at that time; or
- (ii) a member (other than the *provisional head company of a *MEC group the provisional head company of which is one to which this Subdivision applies, in accordance with Subdivision 45-S, at that time;

(d) this Part applies to the entity under section 45-10.

(2) This Part applies to the entity as if:

- (a) the Commissioner had given the entity an instalment rate equal to the most recent instalment rate given to the *head company mentioned in paragraph (1)(a) before the end of the *instalment quarter mentioned in that paragraph; and
- (b) the entity were a *quarterly payer who pays on the basis of instalment income at the end of that instalment quarter, and each subsequent instalment quarter, until:
 - (i) if the Commissioner first gives the entity an instalment rate worked out on the basis of the *base assessment covered by subsection (3) during the first instalment quarter of an income year—immediately before the end of that first instalment quarter; or
 - (ii) if that rate is given to the entity during any other instalment quarter of an income year—immediately after the end of the last instalment quarter of that year.

(3) This section only covers the first *base assessment of the entity for an income year that is, or includes, a period after the entity ceases to be a *subsidiary member of the group.

Commissioner's power to work out different instalment rate or GDP-adjusted notional tax

(1) This section applies if any of the following changes (the **membership change**) occurs in relation to a *consolidated group while this Subdivision applies to the *head company of the group:

- (a) an entity becomes a *subsidiary member of the group or the number of entities become subsidiary members of the group;
- (b) an entity ceases to be a subsidiary member of the group or the number of entities cease to be subsidiary members of the group.

(2) If the Commissioner, having regard to the object of this Part and the membership change, is of the opinion that it would be reasonable to do so, the Commissioner may work out:

- (a) an instalment rate that is higher, or lower, than the most recent instalment rate given by the Commissioner to the *head company under section 45-15; or
- (b) an amount of *GDP-adjusted notional tax that is higher, or lower, than the amount of GDP-adjusted notional tax worked out for the purposes of the most recent amount of instalment notified by the Commissioner to the head company under paragraph 45-112(1)(a).

(3) The new instalment rate or amount of *GDP-adjusted notional tax must be a rate or amount that, in the opinion of the Commissioner, is reasonable having regard to the object of this Part and the membership change.

Note 2: Section 45-405 does not apply for the purpose of working out an amount of GDP-adjusted notional tax under this section.

Additional applications of subsection (2)

- (4) If, after exercising the power in relation to the membership change under subsection (2) for the first time, and on the basis of an assessment (including an amendment) of the *head company for the income year in which the change occurs, or for an earlier income year for which the Commissioner has worked out:
- (a) another instalment rate under section 45-320 for the company (whether or not the Commissioner has given that rate to the company); or
 - (b) another amount of *GDP-adjusted notional tax under section 45-405 for the company (whether or not the Commissioner has notified the company an amount of instalment based on that other amount);
- the Commissioner may again exercise the power under subsection (2) in relation to the membership change, as if:
- (c) the rate mentioned in paragraph (a) were the most recent instalment rate mentioned in paragraph (2)(a); and
 - (d) the amount of GDP-adjusted notional tax mentioned in paragraph (b) were the amount of GDP-adjusted notional tax worked out for the purposes of the most recent amount of instalment that is mentioned in paragraph (2)(b).
- (5) To avoid doubt, in relation to the membership change, the Commissioner:
- (a) may exercise the power under subsection (2) by applying subsection (4) more than once; but
 - (b) must not exercise that power more than once in relation to a particular instalment rate mentioned in paragraph (4)(a) or a particular amount of *GDP-adjusted notional tax mentioned in paragraph (4)(b).

Division 45-R—Special rules for consolidated groups

to Subdivision 45-R

What this Subdivision is about

This Subdivision deals with the application of this Part to members of a consolidated group after the group has come into existence but before the members are treated as a single entity for the purposes of this Part.

This Subdivision also contains special rules in relation to the application of Subdivision 45-Q to members of a consolidated group in these circumstances:

- (a) a group whose members were treated as a single entity under that Subdivision (a **mature group**) acquired by another group (see section 45-880);
- (b) a member of a mature group ceases to be such member and becomes the head company of a new group (see section 45-885).

Note: Subdivision 45-S extends the operation of this Subdivision so that it applies to members of a MEC group. It contains modifications of this Subdivision for the purposes of that extended operation.

operative provisions

Section 701-1 disregarded for certain purposes

If:

- (a) an amount is required to be worked out for the purpose of determining the *instalment income of an entity that is a *member of a *consolidated group for a period that is all or part of a *consolidation transitional year for the entity; and
 - (b) the period ends before Subdivision 45-Q starts to apply because of subsection 45-705(2) or subparagraph 45-705(2)(ii), (4)(d)(ii) or (iv), to the *head company of the group;
- that amount must be worked out without regard to any application of section 701-1 of the *Income Tax Assessment Act 1997* to the entity in relation to the period.

Member having a different instalment period

Different instalment period—instalment quarter

(1) If:

- (a) but for Subdivision 45-Q, a *subsidiary member of a *consolidated group would be liable to pay an instalment in the *instalment quarter of the subsidiary member that includes the starting time; and
- (b) that quarter starts before the start of the instalment quarter of the *head company of the group that includes the starting time;

then, despite section 45-710, the subsidiary member is liable to pay an instalment for that quarter.

Different instalment period—income year

(2) If:

- (a) but for Subdivision 45-Q, a *subsidiary member of a *consolidated group would be liable to pay an annual instalment for an income year of the subsidiary member that includes the starting time; and
- (b) that year ends before the end of the income year of the *head company of the group that includes the starting time;

then, despite section 45-710, the subsidiary member is liable to pay an instalment for that year.

Assumptions for working out amount of instalment

(3) The amount of the instalment must be worked out on the following assumptions:

- (a) that the *instalment quarter or income year of the

*subsidiary member (as appropriate) consists only of the part of the year that is the part of the quarter or year occurring before the starting time;

(b) that an amount required to be worked out for the purpose of determining the *instalment income of the subsidiary member for that period is worked out under section 45-855.

(4) For the purposes of this section, the **starting time** is the time at which Subdivision 45-Q starts to apply to the *head company of a group because of subsection 45-705(2) or subparagraph 45-705(3)(c)(ii), (4)(d)(ii) or (iv).

Credit rule

(1) When the Commissioner makes an assessment:

(a) of the income tax that the *head company of a *consolidation group is liable to pay for a *consolidation transitional year of the head company; or

(b) that no income tax is payable by the head company for that year;

the head company is, in addition to any credit to which it is entitled under section 45-30 for that year, entitled to a credit in relation to instalments payable by an entity that is a *subsidiary member of a group at any time during that year.

(2) The credit is equal to:

(a) the sum of so much of each instalment payable by the entity (even if it has not paid it) for an *instalment quarter of a *consolidation transitional year for the entity, or for that year, as is reasonably attributable to so much of that quarter of the year:

(i) which is, or is included in, the consolidation transitional year for the *head company; and

(ii) during which the entity is a *subsidiary member of a group;

minus

(b) the sum of so much of each credit that the entity has claimed under section 45-215 or 45-420 for each instalment quarter covered by paragraph (a) as is reasonably attributable to:

(i) for a credit under section 45-215—so much of the preceding instalment quarters of that consolidation transitional year for the entity which is covered by subparagraphs (a)(i) and (ii); or

(ii) for a credit under section 45-420—so much of that instalment quarter and the preceding instalment quarters of that consolidation transitional year for the entity which is covered by subparagraphs (a)(i) and (ii).

(3) To avoid doubt, if:

(a) during the *instalment quarter or the *consolidation transitional year mentioned in paragraph (2)(a), the entity is a *subsidiary member of:

(i) 2 or more *consolidated groups; or

(ii) one or more consolidated groups and one or more *MEC groups; and

(b) an amount is taken into account under that paragraph in paragraph (2)(b) in working out the credit to which the *head company of one of the groups is entitled under subsection

that amount is not to be taken into account in working out the credit to which the head company of another of those groups is entitled under that subsection.

- (4) A reference in subsection (3) to subsection (1) or paragraph (a) or (b) includes a reference to that provision in its extended operation in relation to a *MEC group under Subdivision 45-S.

Note: This section applies to members of a MEC group with the modifications set out in section 45-930.

Head company's liability to GIC on shortfall in quarterly instalment

Liability for the general interest charge

- (1) Subject to subsections (3) and (4), the *head company of a *consolidated group is liable to pay the *general interest charge under this section for an *instalment quarter in a *consolidation transitional year for the head company if:

- (a) the instalment payable by at least one *member of the group for that quarter is worked out:
 - (i) under paragraph 45-112(1)(b) or (c); or
 - (ii) by using an instalment rate under section 45-205;
- (b) the sum of instalments payable by the members of the group for that quarter, reduced by credits claimed by those members under section 45-215 or 45-420 for that quarter, is less than $\frac{17}{80}$ of the head company's *benchmark tax for that consolidation transitional year.

Note: $\frac{17}{80}$ of the head company's benchmark tax represents an amount of 85% of one quarter of that benchmark tax.

Amount on which the charge is payable

- (2) Subject to subsections (3) and (4), the *general interest charge payable on the amount worked out in accordance with the following method statement (if the amount is a positive amount).

Method statement

Step 1. Work out the amount that is $\frac{1}{4}$ of the *benchmark tax of the *head company for that *consolidation transitional year of that head company.

Step 2. Work out the sum of instalments that would have been payable by all the *members of the group for that *instalment quarter of that *head company if none of the members had worked out its instalment for that quarter under paragraph 45-112(1)(b) or (c) or by using an instalment rate under section 45-205.

Step 3. Work out the sum of instalments payable by all the *members of the group for that *instalment quarter, reduced by credits claimed by the members under section 45-215 or 45-420 for that quarter.

Step 4. Reduce the lesser of the results of steps 1 and 2 by the result of step 3. The result of this step is the amount on which the *general interest charge is payable if it is a positive amount. No general interest charge is payable if the result of this step is nil or a negative amount.

(3) In working out an amount of instalment or credit for a *subs member of the group for the purposes of any of the following provisions:

(a) paragraph (1)(b);

(b) step 2 or 3 of the method statement;

take into account only an amount of instalment or credit covered by that provision that is reasonably attributable to a period in the *consolidation transitional year of the *head company during which it is a subsidiary member of the group.

Members having different instalment quarters

(4) In working out an amount of instalment or credit for a *subs member whose *instalment quarters differ from those of the *head company for the purposes of any of the following provisions:

(a) paragraph (1)(a) or (b);

(b) step 2 or 3 of the method statement;

a reference to an instalment quarter in a *consolidation transitional year of the head company in any of those provisions includes a reference to the last instalment quarter of that subsidiary member ending before the end of that instalment quarter of the head company.

(5) Subsections (6) and (7) apply if:

(a) the *head company of the *consolidated group is a *monthly payer at a time in an *instalment month (the **current month**) and

(b) any of the other *members of the group (the **subsidiary quarterly payers**) are *quarterly payers at a time in the *instalment quarter (the **current quarter**) in which the current month starts.

(6) Apply the following rules:

(a) treat the reference in subsection (1) to an *instalment quarter as being a reference to the current month;

(b) treat the references in this section to that quarter (or to that instalment quarter) as being references to the current month.

(7) Also apply the following rules, for the purposes of subsection (5) to (5):

(a) treat the subsidiary quarterly payers as *monthly payers for each *instalment month (a **notional instalment month**) that starts (disregarding paragraph (6)(a)) in the current quarter;

(b) apply this section separately in relation to each of those notional instalment months;

(c) treat the amount of instalment or credit for a subsidiary quarterly payer in respect of a notional instalment month as being the extent to which the amount of instalment or credit for the subsidiary quarterly payer for the current quarter is attributable to that notional instalment month.

Other rules about the general interest charge

(1) The *general interest charge under section 45-870 for an *instalment quarter in an income year is payable by the *head company for each day in the period that:

(a) started at the beginning of the day by which the instalment for that quarter was due to be paid; and

(b) finishes at the end of the day on which the head company

assessed tax for that income year is due to be paid.

- (2) The Commissioner must give the *head company written notice of the *general interest charge. The head company must pay the charge within 14 days after the notice is given to the head company.
- (3) If any of the *general interest charge remains unpaid at the end of the 14 days, the *head company is also liable to pay the general interest charge on the unpaid amount for each day in the period that:
 - (a) starts at the end of those 14 days; and
 - (b) finishes at the end of the last day on which, at the end of the day, any of the following remains unpaid:
 - (i) the unpaid amount;
 - (ii) general interest charge on the unpaid amount.
- (4) The Commissioner may, if he or she is satisfied that because special circumstances exist it would be fair and reasonable to do so, remit the whole or any part of any *general interest charge payable under section 45-870.

Continued application of Subdivision 45-Q to the head company of an acquired group

- (1) This section applies to a company for which all of the following conditions are satisfied in relation to a particular time (the **takeover time**):
 - (a) just before the takeover time, Subdivision 45-Q applied to the company as the *head company of a *consolidated group;
 - (b) at the takeover time, the company becomes a *wholly-owned subsidiary of a *member of another consolidated group or a *MEC group;
 - (c) that other group is consolidated at or before the takeover time under section 703-50 or 719-50 of the *Income Tax Assessment Act 1997*;
 - (d) the Commissioner receives the choice (or notice) under this section for the consolidation of that other group not later than 28 days after the takeover time, or within such further period (if any) as the Commissioner allows;
 - (e) at the takeover time, Subdivision 45-Q (including that Subdivision as applied under Subdivision 45-S) does not apply to the head company or the *provisional head company of that other group.
- (2) For the purposes of this Part only, this Act has effect in relation to the company and the other *members of the *consolidated group mentioned in paragraph (1)(a) (the **preserved group**) as if, during the period covered by subsection (5):
 - (a) the preserved group had continued to exist as a *consolidated group; and
 - (b) the company were still the *head company of the preserved group; and
 - (c) Subdivision 45-Q had continued to apply to the company as the head company of the preserved group; and
 - (d) an entity, while being a *subsidiary member of the preserved group, were not treated as a member of the group mentioned in paragraph (1)(b) (the **new group**).
- (3) Subsection (2) does not stop the company from being a member of the new group for the purposes of this Part during the period

covered by subsection (5).

Note: This means, for example, sections 45-855 and 45-860 apply to the company as a member of the new group.

(4) However, for the purposes of applying section 45-855 to the company, a reference in that section to an application of section 701-1 of the *Income Tax Assessment Act 1997* to the company in relation to the period mentioned in section 45-855 taken to be:

- (a) a reference only to an application of section 701-1 of the Act to the company as a member of the new group during period; and
- (b) not a reference to an application (because of subsection of this section) of section 701-1 of that Act to the company, the *head company of the preserved group during that pe

(5) This subsection covers the period that starts from the start of the *instalment quarter of the company that includes the takeover time and ends at the earlier of the following times:

- (a) the end of the instalment quarter of the company during which the company ceases to be a member of the new group;
- (b) just before the instalment quarter of the company during which the Commissioner gives the *initial head company instalment rate to the *head company, or the *provisional head company, of the new group.

(6) The Commissioner may, on the application of the company received not later than 28 days after the takeover time, allow such extension of time for the purposes of paragraph (1)(d) as he or she considers appropriate.

(7) To avoid doubt, nothing in this section prevents the operation of section 45-755 or 45-760 to *members of the preserved group while it continues to exist under subsection (2).

Early application of Subdivision 45-Q to the head company of a new group

(1) This section applies to a company for which all of the following conditions are satisfied in relation to a particular time (the **starting time**):

- (a) just before the starting time, the company was a *subsidiary member of a *consolidated group, or a member of a *MEC group;
- (b) just before the starting time, the consolidated group or MEC group was a mature group (see subsection (4));
- (c) at the starting time, either of the following applies:
 - (i) the company ceases to be a subsidiary member of the consolidated group, or a member of the MEC group;
 - (ii) the group ceases to exist (otherwise than because the MEC group or consolidated group is *created from the group, or because its *head company or *provisional head company becomes a *wholly-owned subsidiary of a member of another mature group);
- (d) at the starting time, the company is the head company of another consolidated group;
- (e) within 28 days after the starting time, or within such further period (if any) as the Commissioner allows, the Commissioner receives the notice under section 703-58 of the *Income Tax Assessment Act 1997* in relation to the choice to consolidate the company with another company.

and after the starting time, that other consolidated group under section 703-50 of the *Income Tax Assessment Act* 1

(2) For the purposes of this Part:

- (a) the instalment rate that the Commissioner is taken to have given to the company under paragraph 45-760(2)(a) has effect as if it were the *initial head company instalment rate for the company as the *head company of the *consolidated group mentioned in paragraph (1)(d); and
- (b) an instalment rate that would otherwise be the initial head company instalment rate for the company as the head company of that consolidated group is not to be treated as that initial head company instalment rate.

Note: This means, subject to the provisions in section 45-705, Subdivision 45-S starts applying to the company as the head company of the consolidated group at the start of the instalment quarter that includes the starting date, see subsection (2) of that section and paragraph 45-760(2)(a).

(3) The Commissioner may, on the application of the company received within 28 days after the starting time, allow such extension of time for the purposes of paragraph (1)(e) as he or she considers appropriate.

Mature group

- (4) For the purposes of this section, a *consolidated group or a group is a **mature group** at a particular time if:
- (a) for a consolidated group—Subdivision 45-Q applies to its *head company at that time; or
 - (b) for a MEC group—Subdivision 45-Q, as applied under Subdivision 45-S, applies to its *provisional head company at that time.

Objects of Subdivision

The objects of this Subdivision are to:

- (a) extend the operation of this Part (except sections 45-705 and 45-740 and this Subdivision) so that it can apply in relation to *MEC groups and their members; and
- (b) modify the rules in this Part for that extended operation so that they take account of the special characteristics of MEC groups.

Modification rules

Extended operation of Part to cover MEC groups

- (1) This Part (except sections 45-705 and 45-740 and this Subdivision) has effect in relation to members of a *MEC group in the same way in which it has effect in relation to *members of a *consolidated group.
- (2) However, that effect is subject to the modifications set out in the following table and elsewhere in this Subdivision.

Modifications of this Part		
Item	A reference in this Part to:	Is taken to be a reference to:
1	a *consolidated group	a *MEC group
2	the *head company of a *consolidated group	the *provisional head company of a *MEC group
3	a *subsidiary member of a *consolidated group	a member (other than the *provisional head company) of a *MEC group

Exceptions

- (3) The modifications set out in the table do not apply to the following provisions:
 - (a) this Subdivision;
 - (b) subsection 45-30(4) (see section 45-930);
 - (d) note 2 at the end of section 45-700;
 - (e) sections 45-705 and 45-740 (see sections 45-913, 45-914 and 45-920);
 - (f) subparagraphs 45-760(1)(c)(i) and (ii);

 - (j) paragraphs (1)(a), (b) and (c), and subsection (4), of section 45-885.

Note: The provisions covered by paragraphs (d), (f), (g), (i) and (j) apply to members of a MEC group without any modifications.

ed operation of Subdivision 45-Q

Sections 45-705 and 45-740 do not apply to members of MEC groups

In applying Subdivision 45-Q to members of a *MEC group, the Subdivision has effect as if:

- (a) section 45-705 had no effect and section 45-915 had effect instead; and
- (b) section 45-740 had no effect and section 45-920 had effect instead.

instead.

Application of Subdivision 45-Q to provisional head company

Period during which Subdivision applies to provisional head company

- (1) Subject to sections 45-880 and 45-885 (as applied under this Subdivision), Subdivision 45-Q applies to a company as the *provisional head company of a *MEC group during the period
- (a) starting at the start of the *instalment quarter of the company determined under subsection (2), (3) or (4); and
 - (b) ending:
 - (i) at the end of the instalment quarter of the company determined under paragraph (6)(a) or (b); or
 - (ii) just before the instalment quarter of the company determined under paragraph (6)(c).

Note: The application of Subdivision 45-Q to the provisional head company is subject to the modifications set out in this section and elsewhere in this Subdivision.

When the period begins—initial head company instalment rate

- (2) Subdivision 45-Q starts to apply to a company as the *provisional head company of a *MEC group at the start of an *instalment quarter under this subsection if, during that quarter, the Commissioner gives the company (as that provisional head company) the *initial head company instalment rate.

Note: The operation of this subsection may be affected by section 45-880 (as applied under this Subdivision).

When the period begins—group created from consolidated group

- (3) Subdivision 45-Q starts to apply to a company as the *provisional head company of a *MEC group at the start of an *instalment quarter (the **starting quarter**) under this subsection if all of the following conditions are satisfied:

- (a) during the starting quarter, the Commissioner is notified of the creation of the MEC group from a *consolidated group (subsection (5));
- (b) the company is the provisional head company of the MEC group when the Commissioner is so notified;
- (c) either of the following applies:
 - (i) Subdivision 45-Q applied to the *head company of the consolidated group at the end of the previous instalment quarter;
 - (ii) the Commissioner gives the *initial head company instalment rate to the head company of the consolidated group during the starting quarter.

Note: For the application of Subdivision 45-Q to a head company of a consolidated group: see section 45-705.

When the period begins—new provisional head company

- (4) Subdivision 45-Q starts to apply to a company as the *provisional head company of a *MEC group at the start of an *instalment quarter (the **starting quarter**) under this subsection if both of the following conditions are satisfied:

- (a) the company is appointed as the provisional head comp

of the MEC group under subsection 719-60(3) of the *Income Tax Assessment Act 1997* during the starting quarter;

(b) one of the following applies:

- (i) Subdivision 45-Q applied to the former provisional head company of the MEC group at the end of the previous instalment quarter;
- (ii) the Commissioner gives the *initial head company instalment rate to the former provisional head company of the MEC group during the starting quarter;
- (iii) the Commissioner is notified during the starting quarter of the creation of the MEC group from a *consolidated group and Subdivision 45-Q applied to the *head company of the consolidated group at the end of the previous instalment quarter;
- (iv) the Commissioner is notified during the starting quarter of the creation of the MEC group from a consolidated group and the Commissioner gives the initial head company instalment rate to the head company of the consolidated group during the starting quarter.

When the period begins—modified timing for provisional head company that is monthly payer

(4A) Subsection (4B) applies if:

- (a) apart from subsection (4B), Subdivision 45-Q starts to apply to a company as the *provisional head company of a *MEC group at a particular time because of the operation of subsection (2), (3) or (4); and
- (b) the company is a *monthly payer; and
- (c) the Commissioner gave the *initial head company instalment rate as mentioned in subsection (2), subparagraph (3)(c)(i) or subparagraph (4)(b)(ii) or subparagraph (4)(b)(iv) in an instalment month.

(4B) Treat subsection (2), (3) or (4) (as the case requires) as providing that Subdivision 45-Q starts to apply to the company as the *provisional head company of the *MEC group at the start of the next *instalment month.

Note: For the application of this Subdivision to a monthly payer, see sections 45-703 and 45-910.

Notification of creation of MEC group from consolidated group

(5) For the purposes of subsections (3) and (4), the Commissioner is notified of the creation of a *MEC group from a *consolidated group when the Commissioner receives a notice of the consolidation of the MEC group under subsection 719-40(1) of the *Income Tax Assessment Act 1997*.

When the period ends

(6) Subdivision 45-Q stops applying to a company as the *provisional head company of a *MEC group at the earliest of the following times after the company becomes the provisional head company:

- (a) the end of the *instalment quarter during which the MEC group ceases to exist (other than because a *consolidated group is *created from the MEC group);
- (b) the end of the instalment quarter during which a consolidated group is created from the MEC group;
- (c) just before the instalment quarter during which another

company is appointed as the provisional head company of MEC group under subsection 719-60(3) of the *Income Tax Assessment Act 1997*.

Note: The operation of this subsection because of paragraph (a) may be affected by section 45-880 (as applied under this Subdivision).

(7) To avoid doubt, Subdivision 45-Q does not apply to a company if the *provisional head company of a *MEC group for any time a

(a) subsection (2), (3) or (4), and subsection (6), would, apart from this subsection, apply to the company; but

(b) the time at which Subdivision 45-Q would stop applying to the company under subsection (6) is before the time at which that Subdivision would start to apply to the company under subsection (2), (3) or (4).

(8) To avoid doubt, Subdivision 45-Q may apply to a company as *provisional head company of a *MEC group at a time when the company is not in fact the provisional head company of the group.

Note: An example of this is when a company replaces another company as provisional head company of a MEC group. Under this section and section 45-920, Subdivision 45-Q may start applying to the company had already become the provisional head company when it is not yet company.

Assumption for applying section 45-710 (single entity rule)

In applying section 45-710 to members of a *MEC group at a particular time, the company that is the *provisional head company of the group at that time must be assumed to be the *head company of the group at all times during the period:

- (a) throughout which the group is in existence; and
- (b) that is all or a part of the income year of the company that includes that particular time.

Change of provisional head company

Object

(1) The object of this section (except subsection (9)) is to ensure that, for the purposes of this Part, when a company becomes the new *provisional head company of a *MEC group:

- (a) the company inherits the history of the former provisional head company; and
- (b) the history of the new provisional head company is effectively ignored.

(2) This section applies to a *provisional head company of a *MEC group (the **new provisional head company**) that is appointed under subsection 719-60(3) of the *Income Tax Assessment Act 1997* if one of the following conditions is satisfied:

- (a) the conditions in subsection 45-915(4) are satisfied in relation to the new provisional head company (whether or not Subdivision 45-Q applies to the company as the provisional head company of the group for any period of time);
- (b) the new provisional head company is so appointed during the *instalment quarter of the company in which the MEC group is *created from a *consolidated group and either:
 - (i) the Commissioner gives the *initial head company an instalment rate to the *head company of the consolidated group;

- group during that instalment quarter; or
- (ii) Subdivision 45-Q applied to the head company of the consolidated group at the end of the previous instalment quarter.
- (3) Everything that happened before the starting time in relation to the company (the ***former company***) that was the *provisional head company of the *MEC group immediately before the starting time:
- (a) is taken to have happened in relation to the new provisional head company instead of in relation to the former company; and
 - (b) is taken to have happened in relation to the new provisional head company instead of what would (apart from this section) be taken to have happened in relation to the new provisional head company before the starting time;
- just as if, at all times before the starting time:
- (c) the new provisional head company had been the former company; and
 - (d) the former company had been the new provisional head company.
- (4) For the purposes of this section, the ***starting time*** is the time at which the *cessation event happened to the former company (the event that results in the appointment of the new provisional head company).
- (5) To avoid doubt, subsection (3) also covers everything that, immediately before the starting time, was taken to have happened in relation to the former company because of:
- (a) section 701-1 of the *Income Tax Assessment Act 1997* (single entity rule); or
 - (b) section 701-5 of that Act (entry history rule); or
 - (c) section 703-75 of that Act (effects of an interposed company becoming the *head company of a *consolidated group); or
 - (d) section 719-90 of that Act (effects of a change of head company of a *MEC group); or
 - (e) section 45-710 in this Schedule (single entity rule for the purposes of this Part), including an application of that section under this Subdivision; or
 - (f) section 45-740 in this Schedule (effects of an interposed company becoming the head company of a consolidated group for the purposes of this Part); or
 - (g) this section; or
 - (h) one or more previous applications of any of the provisions covered by paragraphs (a) to (g).
- (6) In addition, and without affecting subsection (3):
- (a) an assessment of the former company for an income year that ends before the income year that includes the starting time; or
 - (b) an amendment of the assessment;
- is taken to be something that had happened to the new provisional head company, whether or not the assessment or amendment was made before the starting time.
- (7) This section has effect for the purposes of applying this Part to members of the *MEC group in relation to an *instalment quarter of the new provisional head company that ends after the starting time.

the base assessment of the new provisional head company for the purposes of this Part.

- (8) Subsections (1) to (7) are to be disregarded in applying section 45-915 (about the application of Subdivision 45-Q to a company as the *provisional head company of a *MEC group).

Note: For example, if the Commissioner has given an initial head company instalment rate to the former company during an earlier instalment quarter, the rate is not, despite this section, treated as if it had been given to the new provisional head company for the purposes of section 45-915. Subject to the other provisions in that section, Subdivision 45-Q then starts applying to the new provisional head company under subsection 45-915(4).

Special rule for the former company

- (9) A provision of this Part that applies on an entity becoming a member (other than the *provisional head company) of a *MEC group does not apply to the former company when it becomes a member at the starting time.

Note: Section 45-755 (the entry rule, as applied under this Subdivision) therefore does not apply to the former company on the company becoming such a member of the MEC group.

Life insurance company

In applying Subdivision 45-Q to members of a *MEC group for the *instalment quarter of the *provisional head company of the group in an income year of the provisional head company, the company is taken to be a *life insurance company for that quarter if:

- (a) one or more life insurance companies are members of the group at any time during that quarter; or
- (b) one or more life insurance companies were members of the group at any time during a previous instalment quarter of the company in that year.

Ed operation of Subdivision 45-R

Additional modifications of sections 45-855 and 45-860

In applying sections 45-855 and 45-860 to members of a *MIEC group, those sections have effect as if, in addition to the modifications set out in the table in section 45-910:

- (a) a reference in those sections to subsection 45-705(2) were a reference to subsection 45-915(2); and
- (b) a reference in those sections to subparagraph 45-705(3)(ii), (4)(d)(ii) or (iv) were a reference to subparagraph 45-915(3)(c)(ii), (4)(b)(ii) or (iv).

Modifications of sections 45-865 and 45-870 and a related provision

- (1) In applying sections 45-865 and 45-870, and subsection 45-865(2) (which is related to section 45-865), to members of a *MEC group, those provisions have effect as if:

- (a) a reference in those provisions to a *consolidated group were a reference to a *MEC group; and
- (b) a reference in those provisions to a MEC group were a reference to a consolidated group.

Note: This means a reference in those provisions to the head company of a consolidated group has effect as if it were a reference to the head company of a MEC group. Similarly, a reference in those provisions to a subsidiary company of a consolidated group has effect as if it were a reference to a subsidiary company of a MEC group.

or a MEC group. Similarly, a reference in those provisions to a subsidiary member of a consolidated group has effect as if it were a reference to a subsidiary member of a MEC group.

(2) However, the modifications in subsection (1) do not apply to subsection 45-865(4) and the note at the end of section 45-865.

Note: This means subsection 45-865(4) and the note apply to members of a MEC group without any modifications.

Additional modifications of section 45-885

In applying section 45-885 to members of a *MEC group, that section has effect as if, in addition to the modifications set out in the table in section 45-910, it had been modified as set out in the following table:

Modifications of section 45-885		
Item	Provision:	Modification:
1	Paragraph 45-885(1) (e)	The paragraph is taken to have been replaced by the following paragraph: (e) within 28 days after the starting time, or within such further period (if any) as the Commissioner allows, the Commissioner receives a notice under section 719-76 of the <i>Income Tax Assessment Act 1997</i> in relation to the consolidation of that other MEC group, at and after the starting time, under section 719-50 of the <i>Income Tax Assessment Act 1997</i> .
2	Subsection 45-885(2) (including the note at the end of the subsection)	A reference to paragraph 45-760(2)(a) is taken to be a reference to that paragraph as applied under this Subdivision
3	The note at the end of subsection 45-885(2)	The reference to section 45-705 is taken to be a reference to section 45-915

Liability to excess concessional contributions charge

(1) If:

- (a) you have *excess concessional contributions for a *final year; and
- (b) you are liable to pay an amount of *tax (your **actual tax**) for the corresponding income year; and
- (c) your actual tax exceeds the amount of tax you would be liable to pay for the income year if the excess concessional contributions were disregarded;

the excess is an amount of tax on which you are liable to pay **excess concessional contributions charge**.

Note 1: Excess concessional contributions are included in assessable income to give rise to a tax offset: see section 291-15 of the *Income Tax Assessment Act 1997*.

Note 2: In this Act, **tax** is an assessed amount: see subsection 995-1(1) of the *Income Tax Assessment Act 1997*.

(2) If you would not be liable to pay *tax for the income year if the *excess concessional contributions were disregarded, apply paragraph (1)(c) as if you would be liable to pay a nil amount of tax.

Period for which the charge is payable

(3) The liability is for each day in the period:

- (a) beginning on the first day of the income year; and
- (b) ending on the day before the day on which *tax under your first notice of assessment for that income year is due to be paid, or would be due to be paid if there were any.

Amount of excess concessional contributions charge

The *excess concessional contributions charge for a day is worked out by multiplying the rate worked out under section 4 of the *Superannuation (Excess Concessional Contributions Charge) Act 2013* for that day by the sum of the following amounts:

- (a) the amount of *tax on which you are liable to pay the charge;
- (b) the excess concessional contributions charge on that amount from previous days.

When excess concessional contributions charge is due and payable

(1) The *excess concessional contributions charge you are liable to pay for an income year is due and payable on the day on which it is due to be paid under your first notice of assessment for that income year that includes an amount of tax on which you are liable to pay the charge.

Note: For when income tax is due and payable, see section 5-5 of the *Income Tax Assessment Act 1997*.

Determination required

- (2) An amount of *excess concessional contributions charge is due and payable if the Commissioner gives you an *excess concessional contributions determination stating the amount of charge (although it may be taken by subsection (1) to have been due and payable at a time before the determination was made).

Note: For excess concessional contributions determinations, see Division 280.

Amended determinations

- (3) However, if the Commissioner amends your *excess concessional contributions determination, any extra charge resulting from the amendment is due and payable 21 days after the Commissioner gives you notice of the amended determination.

General interest charge

If an amount of *excess concessional contributions charge or *shortfall interest charge on excess concessional contributions charge that you are liable to pay remains unpaid after the time which it is due to be paid, you are liable to pay the *general interest charge on the unpaid amount for each day in the period that:

- (a) begins on the day on which the amount was due to be paid and
- (b) ends on the last day on which, at the end of the day, any of the following remains unpaid:
 - (i) the excess concessional contributions charge or shortfall interest charge;
 - (ii) the general interest charge on any of the excess concessional contributions charge or shortfall interest charge.

Note 1: The general interest charge is worked out under Part IIA.
